WELCOME

We wanted to say **hello** and introduce ourselves.

We are super excited to be your appointed catering partner for your school. Our catering team would like to take the opportunity to welcome your child and offer him/her lunch on **Wednesday 5th July**. This will give your child a chance to try the food and get used to all the new experiences involved in dining at the school.

Providing **amazing** food is the main focus of our business. We go that extra mile to give our pupils that real "**wow**" factor in presentation and taste, whilst keeping recognisable food that can be of comfort.

Cleverchefs was founded in 2015 by Nick Collins, who you may have seen on **Masterchef the professionals** a few years ago. Brought to life with a dream to produce fun and **vibrant** food worth talking about to the hospitality sector.

Lunchtime - At lunchtime we will be offering your child a two-course meal at the special price of £2.60 which will include a choice of a meal from a selection of Homemade Beef Lasagna or Tomato & Basil Pasta Bake for the veggies served with Garlic Bread. Also available will be a selection of salads, freshly baked bread and a choice of desserts or yoghurt.

If your child is currently entitled to Free School Meals, they will be able to choose a mid-day meal at no cost.

Snacks & Drinks - In addition, snacks and drinks will also be available for purchase during morning break-time. These may include panini's, wraps homemade popcorn, fruit pots, jelly and cakes ranging from 90p to £2.20.

If your child requires a special diet for medical reasons, please contact the Catering Manager at the school kitchen on 01373 453126 before your child visits and we will be happy to make the necessary arrangements.

All the catering team at Selwood Academy look forward to welcoming your child.

Our **ethos** is about providing **perfection** as standard. This means that we promise to use the **freshest** local ingredients, cooked and served by dedicated **professionals**, whilst doing our very best to be **sustainable** in every area of our business.

We hope that we can bring a new lease of life to the lunch time and provide dishes that your child will **love** and talk about when they come home.

Please feel free to get in touch with us at feedme@cleverchefs.co.uk if we can be of any assistance.

EATING WELL DOING GOOD

At Cleverchefs we **encourage** our pupils to get involved with our **healthy** eating ethos. Our food has to appeal to your children and we do our very best to engage with them on a daily basis, to make sure that the food they receive is **satisfying** and balanced nutritionally.

We have some simple guidelines for our school food offer, making sure our meals have **good** sources of protein and starch, accompanied with lots of vegetables, salad & fruit.

Our kitchens will always be staffed with **real chefs**, so if your child has a food allergy or food intolerance, our well-trained team will put procedures in place to make sure we provide those meals safely, whilst ensuring dietary needs are met.

A MESSAGE FROM OUR FOUNDER

Our approach to food in our education business is simple, we make sure we source the very best British ingredients. nothing processed and nothing added.

We make sure our kitchens are led by real chefs, they will have a background in fresh food, our training is second to none, they are fully briefed on our mission to provide first class food & service.

We will never settle for anything less than perfect. Cleverchefs is chef led by me and I understand what real food should look like and that message filters through to the whole team. When you step onto a Cleverchefs site you can feel the passion for incredible food.

Our menus have been carefully crafted to take into account the seasons, our pupils tastes and preferences.

We are on a mission to make school dinners fun and healthy.

You are in safe hands with us in your kitchens.

Nick Collins
