

# Earth and Space

Create an A4 leaflet for a Year 3 pupil to show how the festival of Holi is linked to the phases of the moon and why we get night and day.

## KEY WORDS

EARTH	MOON	LUNAR	SOLAR	SPHERE
SPHERICAL	ROTATE	ROTATION		SPIN
ORBIT	LIGHT	REFLECTION		SATELLITE
TOWARDS	DARK	FACING		AWAY

## Check list

*Make sure you have...*

1. Explained what the festival of Holi celebrates.
2. A scientific explanation of how the moon moves relative to the Earth to help explain why we get a full moon.
3. A diagram to support your explanation.
4. A scientific explanation of how the Earth moves relative to the Sun to help explain why we get day and night.
5. Use diagrams to support your explanation.

**All Done - Well Done!**
