

## Daily Challenge Task

Title: Harry Potter

Objective:

Cross curricular project

**Introduction** : Harry Potter's dorm would be quite cramped during lockdown.

**Activity 1** : I would like you to redesign Harry's dorm to make it as comfortable as possible. Apart from a bed, what else would Harry need in his dorm during lockdown? How can you decorate it to suit Harry's personality ? If you have a ruler I would like you to draw and label it.

**Activity 2** :

If Hogwarts decided to make another house using your last name, you would need to have your own house crest. I would like you to choose an animal and create your own. What qualities would people have to possess in order to join your house?

**Activity 3** :

There are plenty of fantastic creatures in Harry Potter , from dragons to mermaids. Can you create your own mystical creature. Draw, paint or make your own beast !

**Activity 4** :

Create a non-chronological report ( factfile) about your new creature
