

Selwood Weekly Learning Guide

WEEKLY LEARNING GUIDE

Week Commencing: **6th July 2020**

To make the use of hyperlinks a little easier, please download and save this document to your computer before you begin.

30 Minutes of Exercise

For example, PE with [Joe Wicks](#) from 9 - 9.30am. This is a great way to start the day. See the PE subject page on our website for more ideas.

Reading

At least 20 minutes each day. There's a lot you can do and explore just by reading, which helps develop reading comprehension:

Talk about it.

- Were there words that were unfamiliar? If so, Explore them! What does the dictionary say? (Yes. The internet can help!)
- What does the word mean and what other words mean something similar?
- How can you use this word every day? Set a challenge to use it 5 or 10 times per day and make it a competition!
- Talk about characters and how they must be feeling
- Take it in turns to read a chapter. You'll be surprised how much they listen and learn from how you read...
- Exaggerate the words and make each other laugh!
- Act out a scene from the book
- Turn it into a comic strip
- Make a video of the scene. Who gets the Oscar?!

(MFL) Linguascope:

Learn a new word in each language! Log on to [Linguascope](#) and click on the word of the day.

Literacy and Numeracy practice

Up to 45 minutes on each. See our subject pages for resources, activities and tasks, or follow the suggestions in this guide. For Numeracy, please see information below regarding My Maths access.

Focused learning activities

Choose up to 2 of these per day from this guide. These sessions can last from 30 minutes to an hour.

Give free time to relax and play

Use this time in a way that best suits your children and your family, to help break up the day's structured activities and provide time to play, explore and be creative.

Challenge Tasks

The school will frequently publish a challenge task on the school [home learning webpage](#).

Selwood Weekly Learning Guide

Subject	Year 6				
Literacy	<p><i>This week will be using the Home Learning – Year 6 Literacy – Flying Machines.pdf - you can print this out or type right into it on screen!</i></p> <p><u>Task 1:</u> Watch the video of early flying machines. What do you think were the biggest challenges for early flying machines?</p> <p><u>Task 2:</u> Learn about the first human flight – hot air balloons. Create a labelled diagram to explain how a hot air balloon works.</p>	<p><u>Task 1:</u> Research the Wright brothers to collect information to create a newspaper article later in the week.</p> <p><u>Task 2:</u> Complete the SPaG mat.</p>	<p><u>Task 1:</u> Read the newspaper article ‘back to Earth with a bump’. Identify and record the key features of this text – what makes a newspaper article special?</p> <p><u>Task 2:</u> Complete the reading comprehension questions on the same article.</p>	<p><u>Task 1:</u> Write up your newspaper article about the first powered flight by the Wright brothers. Try to imagine you were there – what would you feel? What might you see? Would you notice the expressions on the faces of the pilots? Include two correctly punctuated quotes from observers using direct speech and indirect speech.</p>	<p><u>POW-WOW Task:</u></p> <p>Use the suggestions on the Day 5 page and your knowledge of <i>Flying Machines</i> so far to help you come up with a writing idea.</p> <p><u>Today you could write:</u> A fact file all about the pioneering female pilot Amelia Earhart. An adventure story including a zeppelin or airship. You may wish to use a steampunk theme for this (lots of clockwork and steam) A documentary about the history of flight including all the major milestones. You could perform this and record it.</p>

Numeracy	<p>Click here for this week's Maths Challenge! We will publish the solutions next week.</p> <p>Click here for the Solution to lasts weeks Maths Challenge</p> <p>Home Learning Update 6th July: We are happy to be including more of the White Rose resources through the PowerPoints and Activities. And to keep the more interactive elements alive we continue to use MyMaths, Corbettmaths Primary and Classroom Secrets resources. Please contact Mrs Lawyer lawyer@educ.somerset.gov.uk for any questions or to request MyMaths login details.</p> <p>https://nrich.maths.org/14699 NRICH is a wonderful resource for problem-solving activities for those students up for a challenge! mymaths.co.uk covers all topics. We are using this regularly to set students work and give feedback. Contact the school for your child's login details. www.corbettmathsprimary.com has videos and worksheets on almost all KS2 topics and skills, as well as 'Five a Day' Starter tasks with four levels of challenge.</p> <p>https://whiterosemaths.com/homelearning/ Since NEW full activities are not available, it may be helpful to review lessons from years 4 and 5.</p>				
	<p>Warm up: Corbett 5 a day-July 6th</p> <p>Main Task: Calculate angles including vertically opposite angles Intro PowerPoint</p> <p>Activity Answers</p> <p>Alternate Task/Extension: mymaths - angles in parallel lines task</p>	<p>Warm up: Corbett 5 a day-July 7th</p> <p>Main Task: Angles in triangles Intro PowerPoint</p> <p>Activity Answers</p> <p>Alternate Task/Extension: Ext Task 1 Ext 1 Answers Ext Task 2 Ext 2 Answers</p>	<p>Warm up: Corbett 5 a day-July 8th</p> <p>Main Task: Angles in quadrilaterals Intro PowerPoint</p> <p>Activity Answers</p> <p>Alternate Task/Extension: Video Task</p>	<p>Warm up: Corbett 5 a day-July 9th</p> <p>Main Task: Angles in polygons Intro PowerPoint</p> <p>Activity Answers</p> <p>Alternate Task/Extension: mymaths - sum of angles in a polygon task</p>	<p>Warm up: Corbett 5 a day-July 10th</p> <p>Challenge Task: Challenge tasks</p> <p>Complete as many as you can!</p>

Selwood Weekly Learning Guide

Activity (up to 1 hour per week on each activity)	
Art	Add colour to your Picasso still life. See last week's PowerPoint for inspiration. OR Pick a drawing task from the art ideas sheet .
Computing	<p><u>Continuing from last week Lesson 3</u> Theme park (the ppt is here) this week is about the cost of running your theme park Read through the PowerPoint (think about all the different costs needed and fill out the costing sheet) here</p> <ul style="list-style-type: none">• Please remember you were given a substantial loan of £5 million (5,000,000)• It would be very helpful to look at your build a budget sheet from lesson 1• NOTE: on the costing sheet it says how many in the park ie: thrill rides look at lesson 1 and your map of family rides thrill rides etc how many did you choose for your park? <p>(if you do not have a PC/PowerPoint why not plan a day trip to a chosen theme park for you and your family/carers and do up a simple costing sheet of how much it would cost you to go there/ ie: travel, food, park tickets, what would it cost in total? Draw a picture of you/your carers/family and your favourite ride).</p>
Drama	Script Writing The Long box
Geography	World Oceans Plastics, Chemicals & Clean up! Read through the information PowerPoint Complete the tasks detailed on the last 2 slides. Worksheet Reflections Sheet
History	Year 6. William the Castle Builder. Go to school website and follow links; subject – History – Year 6. Or click here Read the text on Castles and answer the questions.

Selwood Weekly Learning Guide

Languages	<p>Theme: talking about the weather + sports</p> <p>This week, we will revise the weather phrases and use them with the vocabulary we have learnt to talk about our likes and dislikes with sports. Start by revising the weather phrases using Linguascope. Choose Beginner – English – the world around me – weather. Look at the pictures and listen to the English weather phrases. See how many phrases you can remember and say in French. Then switch to French and go through the presentation to revise the weather phrases. Try the listening exercise and the tests to check your understanding and play the games!</p> <p>You may want to revise the indoor + outdoor sports using Linguascope too. Choose Beginner – click on Les loisirs – les sports</p> <p>Click here to go to the MFL homepage and to log on to Linguascope.</p> <p>Then, go through the power point on the MFL page called, The weather + sports. Have a go at completing the activities on the power point.</p>
Religion, Philosophy and Citizenship	<p>Islam: Sunnah</p> <p>Read the information provided and carry out the given tasks. Part 1 & Part 2</p>
Science	<p>Go through power point about classification (click here) or on the science home page. Carry out the worksheet on classification keys. Carry out the wildlife hunt for organisms in your back garden and create the key for the organisms you find. Complete the internet research task on Classification</p>
Technology	<p>I have noticed that lots of you are not great at having a healthy breakfast in the mornings. Have a look at the recipe linked below and have a go at making yourself a delicious and nutritious breakfast of “Awesome Overnight Oats”. All the fruits are in season at the moment and it tastes yummy!</p> <p>https://www.foodafactoflife.org.uk/recipes/healthy-eating-week/awesome-overnight-oats/</p>
