

Life cycles

You have been asked to produce a poster for year 2 pupils to teach them about 'Life Cycles'. It will need to explain to the children the life cycles of 2 different animals

KEY WORDS

LIFE CYCLE REPRODUCTION ENVIRONMENT
VERTEBRATE INVERTEBRATE MAMMALS
AMPHIBIANS REPTILES FISH BIRDS
INSECTS LARVAE NYMPH EGG

Check list

Make sure you have...

1. A title in the form of a question: *How is the life cycle of x different to y?*
2. An introduction, which has an explanation of what is meant by a life cycle.
3. A comparison of 2 species, the species must be from different animals groups.
4. Two clear diagrams of the life cycles.
5. Information about the classification of the animal and its associated features.

All Done - Well Done!
