Dear Parent/Carer

KS2 Change of Literacy Pathways

Students in English have now completed two sets of SATS style assessments to check the progress and attainment in the subject. Students tests are used to help us to determine whether they are best served either remaining in their current pathway, or moving into a different pathway.

As a result of these assessments children in Year 6 will be moving pathways to ensure they are receiving the English curriculum at the best pace and standard possible for them. Children will be moving into these new pathways from Monday 6 December and will still receive English lessons at the same time – period 2 every day.

If you would like to discuss these changes any further please feel free to contact me.

Many thanks
