Issue No 12 - 2020/2021 Friday 30 Apr 2021

Welcome back! We hope you all enjoyed the Easter Break and the beautiful sunshine that came with it!. Please can we remind you that, although restrictions are being eased, we must still all remember the "Hands, Face, Space" rule.

It is also vital that staff and students continue to test twice weekly in order to identify asymptomatic cases of coronavirus (COVID-19) and prevent the spread of the virus. Please contact us if you have any questions about this.

Before the Easter break, the local Police spent some time outside of school during drop off and pick up times. They were able to give advice to parents and carers about road safety and

being considerate to residents and fellow road users of the roads close to the school during these busy times. Please can we ask that parents and s carers do not use the school car park or drop children off directly in front of the school. We are very fortunate to have use of the Football Club car park for pick up/drop off. You may wish to then walk your child to the school gate. Please do not park on the zig-zags or double vellow lines outside of the school or use the entrances to turn around. Please can parents also remind their children to use the zebra crossings. This is in place for the safety of your children.

## **CLUB NEWS!**

We are hoping to be able to start some clubs within the next few weeks. Please keep an eye out for the Club List to be published on the website and also for an email with a link to enable you to sign your child up.

Fair Frome have kindly supplied us with lots of food for families that may be in need, especially during these difficult times.

We have; pasta, rice, noodles, pasta sauce, cereal, beans and biscuits.

If you and your family are struggling at the moment, please email GGuy@educ.somerset.gov.uk in complete confidence, and she will arrange for you to receive some of the donated items.

Mr Broad The winning design created by Stella R

Mr Wilkie The winning design created by Zofia S

Mr March The winning design created by Tessa R

During the Easter holidays Yvaine S in Year 6 took her grade 2 Harp exam and passed with a Distinction!

It was extra challenging for her to prepare as all her lessons were via Zoom. Well done Yvaine!

Maddie H in Year 8 was selected to join the Southern Region Talent Academy for British Canoeing when she was 11, after being spotted by one of their coaches and then quickly progressing to Division 2. Sadly with Covid 19 the athletes have missed out on racing for a whole year and until the beginning of April could only train on local water. During April Maddie has been to Lee Valley 3 times and will be going to Holme Pierrepont in Nottingham for a weekend training camp. She is looking forward to her first race in June providing there are no more Covid restrictions!
