A Better Bus to School

David Warburton, MP for Somerton and Frome has started a new campaign - A Better Bus to School, after becoming aware of the difficulties some children have getting into school due to either cuts to school bus services or lack of spaces.

David is asking schools, parents and carers to get in touch to share their experiences so that he can fully understand the issues and make appropriate representation.

Please email <u>david.warburton.mp@parliament.uk</u> by Friday 19 November if you wish to share your experiences.

Google Classroom

As children may need to remain at home, we continue to provide learning resources and activities in Google Classroom

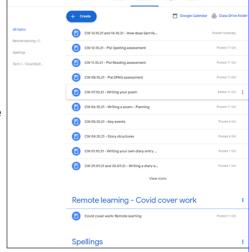

Teachers provide resources in each of your child's Classrooms, dedicated to each subject.

In here, you will find lists of resources that mirror the work being completed in school. Pupils should try to follow their normal timetable for the week and visit each of these classrooms.

Some tasks are listed as 'assignments' and these have a due date. Children may need to complete a task or a quiz and send this back to their teacher. If this is the case, you will see this listed on the main Google Classroom Dashboard

Tasks are listed in the Classwork section of the classroom....

If your child does not have easy access to online learning at home, please let us know. We can arrange for printed resources to be sent home. Your child can hand in this work when they return to school

We are on FaceBook!
Please like our page for regular news and updates.
