Can you help?

As you may know our Year 6 pupils will soon be sitting the practice SATs tests. With such a large group, the help offered by volunteers will be crucial to best support the children with their tests. Volunteers are needed to help with reading and supervision of the pupils. If you can spare us any time during the week of 9 March, please contact the school as soon as possible as prior to being accepted as a volunteer, we will need to meet with you to discuss the next steps.

Well done Maddie!

We want to say a huge congratulations to Maddie H in Year 7 who is a keen paddler and has recently been accepted for the Regional Talent Academy (RTA) in London. Maddie started canoeing with Frome Canoe club at the age of 8 and has progressed through the four divisions to division one.

Yr 6 Numeracy workshop

It was lovely to see so many parents and pupils at our Year 6 Numeracy workshop on Tuesday. During the evening we looked at some of the most important calculation methods that we use for arithmetic - including those for multiplication, division, fractions and percentages. Hopefully this will enable parents to support their children at home

There will be a SATs information evening on Tuesday 10 March from 6 -7pm. All Year 6 parents and pupils are welcome to attend.

Reminder for Year 8 Parents and carers

Options Evening at Frome College 5:00pm - 7:30pm on Thursday 13 Feb.

Talks in the Merlin at 5:00pm and 6:00pm.

Parents should sign in at the Merlin Foyer when they arrive to collect their maps and confirm they have received their Options Portal login details.

Rotary Public Speaking Competition

Two teams of Year 8 pupils were keen to enter the Rotary Club Public Speaking competition: Katie B, Liam B and Abigail W (not pictured) who wrote and performed an excellent, interesting debate about the Cross-breeding of animals. Secondly, Leah L Rebecca T and Niamh F

were inspired to write and present an emotional debate about 'the need to establish equality for all in 2020. Both teams performed very proudly and with formal speaking skills. Very well done.

Football is thriving at Selwood! Year 5 football Festival

Three Year 5 teams travelled to Millfield Prep school on the 15 January. Each team enjoyed playing three games of football, where the focus was not on the final score, but having fun and meeting new people. After the game, Selwood pupils enjoyed sitting down to eat a hot meal with their Millfield Prep counterparts to get to know them

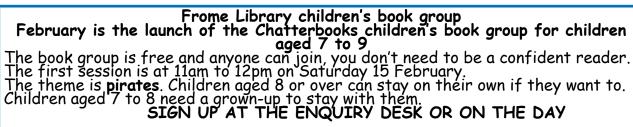

Aaliyah was voted player of the tournament for her

outstanding performance as a goal keeper. All Selwood players behaved impeccably and were excellent ambassadors for our school. Players from both schools are pictured above.

Year 6 Football

On the 23 January, the Year 6 football teams hosted Millfield Prep on the 3G pitch under flood lights. Both Selwood teams secured convincing wins against strong opposition, with Selwood Rovers winning 3-1 and Selwood United an equally impressive 3-0 victory. Players of the match went to Danny, for his outstanding work rate through the whole game, and to Callum for his hat trick!

Frome Town Council Rangers need help to plant 1300 trees at Birchill and Weylands on Tuesday 18 and Wednesday 19 February to help combat climate change and encourage wildlife. For more information and to book your place please see the link
