November 2026

Dear parent/carer

As of September 2027, our new Year 9 students will no longer start a GCSE option early and instead will complete a normal KS3 curriculum.

This means that there will be no Options evening in January. Students in Y9 will have the opportunity to choose their options in Y10 during the course of the academic year and more information around this process will go out during their first year with us.

I do want to take this opportunity to remind parents that all applications to Frome College must be done on the Somerset County Website through the Citizen Portal https://www.somerset.gov.uk/children-families-and-education/applying-for-school/starting-at-a-secondary-or-upper-school-in-september/

The deadline for applications was 31 October but if you have not yet apply, you can still do this through the Portal. We do not deal with any applications directly.

I look forward to working with you and your children in the future.

Regards
