

Dear Parents and Carers,

Thank you to everyone who took the time to complete our recent parent survey. Your feedback has been invaluable in helping us shape our plans for wraparound provision at Selwood Academy.

We are pleased to confirm that we will be delivering before and after-school wraparound care at Selwood Academy from September 2026.

We are currently in the process of completing our Ofsted registration. Until this is finalised, we are unable to advertise sessions or take bookings. Once registration is approved, we will also be registering with Tax-Free Childcare, enabling families to pay using this scheme, as well as childcare vouchers.

We are finalising our budgets for September, and pricing will be confirmed as soon as possible. When this is complete, we will circulate a flyer containing:

- Confirmed session times
- Pricing
- Booking instructions
- Payment options

At launch, we will begin with a capacity of 15 children per morning and afternoon. We will monitor demand closely and increase capacity if needed and if we are able to recruit an additional member of staff.

We currently have one vacancy available. Details of this role is included in a separate attachment within the email containing this letter. We would warmly welcome applications and would be grateful if you could share the job advert with any family or friends who may be well suited to the roles.

Thank you again for your support as we prepare this new provision for the Selwood Academy community. We look forward to providing a safe, enjoyable, and reliable after-school service from September 2026.

Kind regards,

Pete Drew
Operations Director
