

Dear Parent/Carer,

We are excited to announce that having moved our MIS to Arbor recently we are now able to invite you to start using the Arbor Parent Portal and App.

This works similarly to SIMs Parent and you will be able to see all the same information about your child(ren) as before.

We are really looking forward to getting started with the App and invite all our parents to familiarise themselves using the link below.

[Getting started - Log into the Parent Portal and the Parent App](#)

You will currently be able to view via the Portal and App, your child's profile, timetable, attendance, achievement points and behaviour incidents. We are planning on making more features available in the next academic year.

Arbor also offers access to many training resources which are completely free for you to make the most of. These can all be found [here](#).

You will receive an email from Arbor inviting you to complete registration on **Wednesday 7 May**, please look out for this information and register your child(ren) following the instructions. We recommend you also check your junk folder for this email if not received.

We hope you are looking forward to using this new feature as much as we are.

If you have any queries or feedback, please contact [selwoodacademy@selwood-academy.co.uk](mailto:selwoodacademy@selwood-academy.co.uk).

Kind regards,

Selwood Academy
