Dear Parent/Carer

Year 7 Pathways

Last year KS3 students were taught in pathways for English/MFL (Literacy pathway) and Maths (Numeracy pathway). Usually at the end of every school year, we assess the progress and attainment of all students and determine which pathway would best serve each student. As a result of the previous school closure to Year 6 last Academic year, this process has taken place recently. Though students have been provided with differentiated teaching in tutor groups thus far, we are looking ahead to returning to pathway teaching for the above subjects.

In Year 7 students have three lessons each week in English and Maths, and two lessons for Languages – for a total of eight lessons. When it is feasible to return to teaching in pathways, you will be notified separately and your child would be placed in either the Accelerated or Applied Pathway.

If you have any questions, please do not hesitate to get in touch.

Yours sincerely

Mr A Broad
