It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>The academy was awarded a School Games Mark for the first time in 2018-19. No School Games Marks have been awarded this year because of the pandemic, however, the academy has been officially recognised and awarded a certificate for its 'ongoing commitment and achievement in the School Games Programme during the Autumn and Spring Terms 2019/20' by Jason Headaux, School Games Organiser for Somerset.</p>	<p>Explore how the funding can be used to support 'catch up' swimming lessons for those pupils who have missed their lessons this year because of the pandemic.</p> <p>Continue to push to get the playground refurbished, which did not progress this academic year in part due to the pandemic.</p>
<p>Substantial increase in the number of pupils who can swim 25m confidently by the end of key stage 2. This occurred due to the swimming curriculum restructure made possible by the funding.</p>	<p>Explore further expanding the use of 3G provision during lunchtimes (i.e. alternative sports, attract more girls/SEN/inactive/PP pupils).</p>
<p>Online booking system to sign up for sports clubs has been established and has proven more effective and efficient than the previous paper system. The system is now used for all schools clubs, contributing to whole school improvement.</p>	<p>Establish, recruit and train PE Prefects/Sports Leaders support lunchtime staff in leading lunchtime activities for lunchtime provision to expand successfully.</p>
<p>The 3G pitch is now installed (March 2019) and open for use for PE lessons, lunchtimes, afterschool extracurricular clubs, fixtures and the wider community youth teams during the evenings and weekends.</p>	<p>Complete a second PE 'Pupil Voice' survey to establish pupil's thoughts and opinions of PE and sport at Selwood and use this information to improve what we offer (This was originally planned for the 2020 summer term but did not happen due to the pandemic).</p>
<p>Additional lunchtime staff recruited to allow the 3G pitch to be used daily at lunchtimes for organised physicals activity (January 2020).</p>	<p>Explore additional physical activity opportunities for targeted groups including SEN, PP and less physically active pupils. Explore effective ways to identify physically inactive children so they can be targeted.</p>
<p>The inter-tutor group sports programme has been further expanded and now includes Spring Inter-form, where all pupils in the school represented their tutor group in either football, netball or team building activities.</p>	<p>Explore running a school staff sports club to promote increased positive attitudes and confidence towards sport and physical activity which will disseminate to the pupils.</p>
<p>The Tug 'o' War and Cross-Country Championships introduced over the previous 2 years were also continued this year but were affected by the</p>	<p>Establish visually stimulating and motivating displays in the PE department and clear information for opportunities for pupils to be physically active/join sports clubs and teams in their local community.</p>

pandemic.

An online fixture diary for all sports events has been established (2018) and has allowed us to monitor and manage the number of competitive sporting events effectively and efficiently to maximise opportunities for our pupils.

The academy led its first ever successful School Ski Trip during February half term 2019 with 44 pupils. The second has been organised for February 2021. It is the intention to make this a biannual trip.

The changing rooms refurbishment has been completed and includes new easy access changing facility and individual changing cubicles to support self-conscious/SEN pupils.

A wide variety of after school sports clubs are now available to our pupils, with some being provided by external coaches and many by our own voluntary staff.

The tutor group football program established (2017) with each tutor group is provided with 2 balls to encourage more physical activity at lunchtime when the school field is open.

Year 6 football success in the EFA Kids Cup, where Selwood have been Yeovil Club Final Winners for 2 of the last 4 years.

Year 6 Quad Kids Athletics Team were 2019 Somerset County Champions (event this year cancelled due to the pandemic).

Years 7 and 8 boys and year 7 girls were 2019 Area Athletic Champions for (event cancelled this year due to the pandemic).

Increased availability of sports equipment available for PE lessons and afterschool clubs.

Successful annual sports trips to watch the Oxford versus Cambridge Varsity

<p>Rugby Match at Twickenham Stadium (2017, 2018 and 2019).</p> <p>Successful sports trip to the Wimbledon Tennis Championships (2017, 2018 and 2019) where 50% of the pupils who attended were pupil premium in 2019. Cancelled this year due to pandemic</p> <p>Continuing to offer alternative sports opportunities (Ultimate Frisbee and Cyclo Cross in partnership with GB Cycling.</p> <p>Hosting several first school sports festivals throughout the academic year. And providing Sports Leaders for first school sports festivals throughout the academic year.</p> <p>Stronger department systems in place to ensure pupils remember their own PE kit, and get changed efficiently to maximise activity time in lessons.</p>

Meeting national curriculum requirements for swimming and water safety.	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	88%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	31%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	31%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes, additional lessons targeted at pupils who could not swim 25m following the standard swimming programme.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2019/20	Total fund allocated: £19610	Date Updated: 31 July 2020		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 59% (£11621)

Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Increase the number of extra-curricular clubs available to pupils. Increase the number of pupils regularly attending afterschool sports clubs.	Clubs to run every week with the exception of the first and last week or each of the 3 full terms to allow for club administration. Work alongside the admin team to establish an online booking system to sign up to clubs, where club details are sent directly to parents via the new parent app. Still include club information in the academy newsletters, on the school website and share directly with pupils in PE lessons. Organise external coaches to run the following afterschool clubs: <ul style="list-style-type: none"> • Gymnastics • Cheerleading • Basketball 	£6044	Online booking system has dramatically increased the attendance at clubs. Many clubs were full within 3 days on the information being released to parents via the parent app. Many clubs have waiting lists. Over the course of the 3 terms, 26 different sports clubs offered or planned (8-9 different clubs each term). Summer term clubs were cancelled due to the pandemic. Registers have been taken for all afterschool clubs.	Using school staff to run clubs is sustainable, however, some of the volunteer staff who have run clubs consistently are leaving the academy. Therefore, there is a need to recruit more volunteers. Improve the system for pupils on the reserve lists for clubs. This will ensure they are able to take part as soon as a place becomes available. Keep club register data to compare and monitor trends in the future.

Continue to increase the number of competitive fixture opportunities available to our pupils.	<p>Maintain a central fixture diary spreadsheet for the academic year so the opportunities we are offering pupils can be monitored and built upon.</p> <p>Liaise with other schools, sport governing bodies and SASP to agree fixtures.</p> <p>Select teams based on commitment to clubs, book transport and staff, seek parental consent.</p> <p>Pay for transport/staff as required or additional fixtures so Selwood pupils can attend.</p> <p>Recruit volunteer staff to support fixtures. Advertise opportunity in the academy newsletter.</p>	<p>£1710</p> <p>Dramatic increase in the number of fixtures against local schools has been offered to Selwood pupils.</p> <p>Selwood took part in 62 fixtures, festivals and tournaments in the 2018-19 academic year.</p> <p>Fixtures in 2019-20 significantly reduced due to Covid 19 pandemic. Fixture diary available upon request.</p> <p>Children are now using the PE specific post box effectively for returning permission forms.</p> <p>The PE Department has the support of two regular volunteers who make many additional fixtures possible.</p>	<p>Continue to use the central fixture database.</p> <p>Keep the PE specific post box and continue to encourage pupils to use it for fixture permission forms. However, explore adding fixtures permission to the online consent systems now in place for sports clubs.</p> <p>Expand the number of home fixtures by encouraging other schools to come and play on the new 3G pitch and bring multiple teams.</p> <p>Provide correct footwear for visiting schools if required so they can use the 3G pitch.</p> <p>Request PE specific volunteer adverts in the school newsletter to help with fixtures.</p>

<p>Continue to increase the number of pupils taking part in regular sporting events and competitions.</p>	<p>Where staffing and transport allows, always take as many pupils as possible (take A and B teams).</p>	<p>Costs included in total above.</p>	<p>Increased number of B team fixtures (predominantly football this year) meaning more pupils have had the chance to represent the school.</p>	<p>Continue to expand 'B team' opportunities across other sports.</p>
<p>Increase the number of opportunities for internal sports competitions.</p>	<p>Add a whole school Spring Inter-form competition (Football, Netball and Team building) into the school calendar to allow ALL pupils to experience competitive sport.</p> <p>Agree dates, times, staffing and cover with the leadership team. Create tutor group entry forms, distribute and manage entries.</p> <p>Promote events in assemblies, PE lessons, staff briefings and through notices in the tutor folder.</p> <p>Organise and train Sports Leaders to run and officiate the tournaments.</p> <p>Announce winning tutor groups in assemblies.</p> <p>Seek feedback from pupils, teachers and parents to build on and improve the events</p> <p>Ensure there is a write up in the school newsletter.</p>		<p>First ever Spring Inter-form competition was held.</p> <p>Valuable leadership and officiating opportunity provided for year 7 and 8 pupils.</p> <p>The event was very well received by pupils, teachers and parents. Anecdotal evidence suggests the event was well ran and organised. The main request was to ensure it became an annual event and more similar whole school competitions were organised.</p> <p>3rd Annual Selwood Cross Country Championships held this year which saw 156 runners take in years 5 and 6. (7 and 8 race postponed due to weather and then cancelled due to the pandemic). All pupils had a certificate for taking part. The top 3 in each race received medals.</p>	<p>Repeat Tug 'o' War, Cross Country and Spring Inter-form competitions next year.</p> <p>Develop more inter-form competitions.</p> <p>Costs to run Spring Inter-form was £0, as PE staff were covered by teaching staff who were no longer teaching their own lessons.</p> <p>Consider setting up boy and girl games captains for each tutor group, who take responsibility for setting up and managing tutor group teams with support from their tutor.</p> <p>Consider purchasing trophies for winning tutor groups for the various inter-form events.</p>
