

Friday 8 July 2022

Dear Parents and Carers

In what has been an incredibly busy couple of weeks, on Tuesday 5 July we received our KS2 results.

Although they only measure a very small amount of what our pupils achieve it is a great opportunity to celebrate the Year 6 efforts this year. Whilst nationally following the pandemic, attainment at Key stage 2 has dropped, Selwood has seen an increase across the board. As a year group there were a number of huge successes, with a record breaking 52% of pupils achieving the expected standard across Reading, Writing and Maths. In Maths 63% of pupils achieved the expected standard, a new school record. A whopping 90% of pupils achieved the expected standard in Science, once again the highest in the school's history and dramatically above the national average. Our Writing results are also substantially above the county average as well as above the National average this year.

Today we will be sharing with your children how they got on in their year 6 SATs. This will be done discretely in their Maths and English classes. This afternoon pupils will be given a letter addressed to you that shares the information.

We are very proud with how hard all pupils have worked this year.

Thank you for your hard work and support.

Mr Finlay
Deputy Headteacher
