

Dear Parents and Carers,

We are writing to update you regarding the upcoming release of the Year 6 SATs results. As you may have already seen or heard in the news, there has been an unexpected national delay in the release of the pass marks and student results.

Because of this delay, we are now expecting to receive the Year 6 results on **Thursday 16th July**.

We know how hard our pupils have worked and how eagerly they and you have been anticipating these outcomes. Our plan for sharing the results is as follows:

- **Sharing with Pupils:** We will share the results with the children on the morning of Thursday 16th July in a supportive and celebratory way.
- **End-of-Year Reports:** Our team will be doing everything we possibly can to ensure these results are processed immediately and included in the end-of-year reports sent home to you.

We completely understand how frustrating this delay is for both you and your child. It is certainly not the timeline we had hoped for, and we share your disappointment that the wait has been extended.

Thank you so much for your continued patience, understanding and support. If you have any immediate questions or concerns, please do not hesitate to reach out to the school office.

Warm regards.

Mr Finlay- **Head of school**
