Selwood Academy

SEN NEWSLETTER

TERM 4 2025-2026

Hello!

4th Newsletter

Welcome back to our 4th SEN newsletter at Selwood Academy. Hopefully you found some useful information in the last edition. Please remember this newsletter is designed to give you some awareness and ideas which may support your child and family. If you do have any feedback or suggestions for our next edition, please let us know by emailing cfinlay@selwood.mnsp.org.uk

Selwood's Offer - Learning Plan Reviews

By the end of this term, you should have all had specific communication from school from tutors/SEN team to go through your child's SEN learning plan. Yours and your child's comments have been recorded with the review comments from teachers. Together, we will now work towards the new plan - either continuing with previous targets or new ones just set and shared.

Please remember, your child's tutor has overall responsibility for the pastoral, medical and social care of every child in the class, therefore this would be your first point of contact. If further support is required, they liaise with the Pastoral Team Leader or with the SENDCo for further advice or support.

The Community Inclusion & Activities Team Easter Activities Calendar is OUT NOW!

The Community Inclusion & Activities Team have released their Easter Holidays Inclusive Activities Calendar, and it's packed with amazing opportunities for children and young people with a disability and/or additional need.

Here's a sneak peek at what's on offer:

- Tabletop Games
- Trampolining Sessions
- Nature-Based Activities
- Adaptive Cycling
- Plus some brilliant trips.

The full calendar is on the local offer: <https://www.somerset.gov.uk/.../activities-for-families/>

Deputy SENCo Spotlight!

Meet Mrs Rosier!

I have been teaching for 20 years and have been at Selwood since 2012. Before this, I taught at a small village primary school in Wiltshire. I qualified as a SENDCo in 2025 and have been Deputy SENDCo at Selwood since 2024.

Outside of school I enjoy spending time with my husband and two children. Some of my colleagues comment that I have a zoo due to the amount of pets we have: dogs, fish, chickens, ducks and a tortoise! My two dogs Poppy (a toy poodle) and Dexter (a labrador) keep me busy and love nothing more than running around a field chasing a ball!

When I am not spending time with my family, I enjoy going to the gym. In May I am taking part in my second Hyrox event in Cardiff so I am busy training for this at the moment. I also enjoy reading and am part of a reading group who meet monthly - I love nothing more than a good mystery to solve!

Easter Activities

This editions home challenge is to decorate an egg (boil the egg first!) and then create a setting for it using a cardboard box. Here are some examples:

Please feel free to send in an creations as we would love to share with the rest of the school.

Somerset Local Offer

<https://www.somerset.gov.uk/children-families-and-education/the-local-offer/>

This website provides information to families of children and young people (0 to 25) with special educational needs and/or disabilities.
