

## Year 8 Unit 3 - Le week-end dernier (Last weekend)

To make the past tense in French you must use the verb avoir (to have).  
So instead of saying "I ate" you really say "I have eaten".

I have = **j'ai**  
you have = **tu as**  
he has = **il a**  
she has = **elle a**  
we have = **nous avons**  
you (pl.) have = **vous avez**  
they have = **ils ont**

Followed by the past form of the verb  
eg: jouer → **joué**  
regarder → **regardé**  
écouter → **écoute**  
danser → **dansé**  
manger → **mangé**  
aimer → **aimé**  
finir → **fini**  
faire → **fait**

**et = and      puis/ensuite = then  
après = afterwards      tout d'abord = first of all  
enfin = finally**
