Dear Parent/Guardian

**FLU VACCINATION FOR ALL SCHOOL AGED CHILDREN
(From Reception up to and including Year 8)**

From September all school aged children from Reception up to and including Year 8 will be offered the flu vaccination.

The vaccine is given as a simple spray up the nose. It is painless, quick, and serious side effects are uncommon. It is designed to protect your child against flu which can be an unpleasant illness and, although rarely may cause serious complications. The flu vaccine provides protection against the strains that are predicted to circulate in the coming season. These strains may change from year to year which is why we recommend receiving the vaccination every year.

This vaccination is part of the NHS routine immunisation programme for which your child is now due.

Further information can be found at the NHS website www.nhs.uk/child-flu. This information includes details about children for whom the nasal spray is not appropriate.

Please complete the consent form (one for each child, please) using the following link <https://www.somersetsaint.co.uk/Forms/Flu> enter your schools (Selwood Academy) unique code **SM137741**, this link will close on the morning of the session date but we request that you do this as soon as possible. If you are unable to access the online consent form for any reason, please contact Somerset SAINT for assistance.

Please complete the consent form even if you do not consent to the vaccination.

If your child is not in mainstream education or is home educated, then please contact Somerset SAINT on the above number to book into one of our community-based sessions.

The consent form can only be completed by someone with parental responsibility, if you have any queries about whether you hold parental responsibility and are therefore able to complete the consent form, please contact the immunisation team on the above number.

Somerset

NHS Foundation Trust

There is an expectation that the immunisation team will only visit your child's school once during this programme, although community based catch up sessions for children will be offered throughout the autumn term.

If your child becomes wheezy or has, their asthma medications increased just before or on the day of the vaccination session, please inform the Immunisation team on the day.

Yours sincerely

Somerset SAINT
