

26th January 2026

Dear Parents/Carers

Year 6 academic parent's meetings will be taking place on **Thursday 5th February 2026**. These meetings will be held virtually using the platform Selwood Academy school cloud.

If you would like to book a Music appointment with **Mrs Hampson**, she will be available on **Wednesday 4th February 2026**.

Please note that if your child is in **English set 6En/HB**, you should book an appointment with **either Mrs Preston or Mrs Bartlett**, but not both, to ensure fairness for all parents.

The decision to hold the meetings virtually is to give a blended approach to our parent meetings. This is to ensure we meet the needs of all our community including those who prefer to have virtual meetings. Some of the benefits to having these academic parent meetings virtually are as follows; they allow parents to see more members of staff, they ensure meetings run on time and they allow teachers to see more parents.

All your child/ren's subject teachers will be available to meet virtually and you will have the opportunity to select all, acting on last year's feedback from you. Please see our hints and tips to get the most out of your meetings:

- Consider which subjects are your preferred/priority at this time and book on that basis.
- If you are unable to book a meeting with a teacher that you wish to see because all time slots have been taken, you will be given the opportunity to book onto the waiting list (please note, this only appears when all time slots have been taken), and the teacher will endeavour to contact you by phone on another date. *However, this might not be possible with some foundation subject members of staff due to the high number of pupils they teach.*
- If the same teacher teaches your child in multiple subjects, for example, Technology and Science, please only book one meeting slot with that member of staff. Any multiple appointments will be cancelled to ensure fairness to all parents.
- Please be ready for your allocated time slots because your time starts to count down even without you present and the meeting finishes promptly after 5 minutes.
