*'Where children
come first'*

Comic Relief

We had a funny fun day on Friday making each other giggle with our jokes and raising money for people facing challenges, by coming dressed as our heroes, or something silly or just our own clothes for a donation towards great causes. Thank you everyone who took part.

Rock Kidz

The children had great fun with the Perseverance Challenge run by the Rock Kidz this week. It was all on-line but we still managed to do 'the monkey' in class and learn great lessons about how to persevere even during these challenging times.

Home School Communication

Please read the policy sent home this week and it is also on our school web-site.

Class Dojo

We are still using Class Dojo for some essential messages and sharing things that are happening in school.

If your child is sent home for whatever reason or their class bubble closes please go on Class Dojo where there will be work they can do or catch up on.

Lap-tops

If you have not yet returned the lap-top you were given during lockdown please do so as soon as possible so we can use it for your child in school.

Money Owing

Please pay (either in one go or in agreed installments) any money that you owe to school.

COVID-19

Wear a face covering on the school grounds (unless you are exempt)
Keep your social distance (2 metres)
Do not hang around in groups
Get to school on time but not too early
Do not bring in any items, toys etc
If you have a message ring school rather than go into the office if you can.

On-line Gaming

Please be aware of what your child is doing on-line. There have been reports of bad behaviour on-line in how some of the older children are acting and in particular inappropriate language. If we find out it is happening then we will alert parents but if you can listen in or ensure your child understands the rules.

Gossip

Please do not believe everything you read on social media or hear on the playground. Rumours can be hurtful and are usually massively inaccurate (and could lead to prosecution for defamation).

Well Done!

Well done to Miss Lemon who won 'star baker' in the Twinkl star baker challenge!

Pupil Voice

We are looking at ways of increasing pupil voice.

We have 'comments/worries' boxes in classes where children can write down worries, comments or ideas so we can read them and do something about it.

Year 6 to Year 7 transition

We are contacting High Schools to discuss effective transition to High Schools which is coming up very quickly! We will let the Year 6 parents know what the plan is for each High School once we have been told.

Easter holidays

We break up for the Easter holidays on Friday 26th March at 2pm (after-school club is on until 4pm). Please make sure someone is here to collect your child at 2pm or someone is at home if your child walks home on their own.

School Lunches

See our school web-site for details of the school lunches coming up.
 We have new menus after Easter.
 It will also go on Class Dojo (main message page).

All children taking a school dinner on Wednesday 24th will be entered into a free prize draw with a chance of winning a lovely gift. One prize per class.
