*Where children
come first*

STALLS IN THE HALL - PTFA Summer event

What a brilliant event we had on Wednesday after school when lots of parents, children, family and friends came into our school hall and took part in our summer event.

There was hook a duck, face painting, tombola, splat the rat, roll the coin and lots more. The hot dogs were so popular we ran out (!) and the enterprise items in year 6 class went down a treat with some marvellous (Orion class won the enterprise competition by raising the most amount of money)

The children did a great job making items for the Stalls:

Nurse - Key Rings

Reception - Magnets

Year 1 - Badges

Year 2 - Sweet Kebabs

Year 3 - Bookmarks

Year 4 - Pebble Pets

Year 5 - Rice Krispies Treats

Year 6 - Bracelets

Galaxy and Apollo - Grow your own Flowers

We will also have a stall at the various end of year events where we will sell the remaining treats (so if you are coming along please bring a bit of cash!)

Dance from the Heart

The whole school took part in 'Dance from the Heart' on Friday morning. They have all been practicing and it was a great event and a fantastic way to get our hearts going and our bodies moving and our brains working!

3 things (behaviour)

We are focusing on three key things with the children in their behaviour which are:

- **language** (no swearing or inappropriate language - only kind, respectful and encouraging words). This is also when they are on-line. Please monitor their language when they are on social media or games.
- **walking** (when they are in school we want them to walk calmly through school)
- **listening** (one of our learning powers is concentration and we want the children to listen well to adults and each other - even if they are cross or frustrated)

Learning Powers'

These are the things that we know will help the children make progress in their learning and we are teaching them how to become 'experts' at these things:

Participation, Concentration, Resilience, Pride

Responsibility VIPs (Values Inspired Person)

Our Value that we are focusing on over this term with the children is COURAGE. (To have courage and strength in the face of challenges or fears and to have the courage to do the right thing.)
