MAX WHITLOCK (Gymnast and gold medal winner)

We are VERY excited that Max will also be visiting our school on Wednesday 6th November with his wife Leah (and TV cameras) when he will be talking to the children in an assembly, answering questions and delivering a free Gymnastics session for one of our classes in school.

Max is the most successful gymnast in British history and the most successful [pommel horse](#) worker in Olympic Games history, with two gold medals and one bronze.

PTFA Halloween Disco

A huge thank you to the PTFA and all their band of spooky helpers who organised the Halloween Disco on Tuesday after school for children from Years 1 to 6.

The children had a brilliant time and the behaviour was excellent.

All the staff said how great it was seeing the children (including the older children) actually dancing and enjoying themselves so much. All money raised will go towards books and equipment for the children in school.

Early Years Spooky Day!

It was great seeing our Nursery and Reception children coming to school dressed up in their spooky outfits. They looked both scary and cute at the same time and they did some lovely things in class including hearing spooky stories and making potions!

Miss Lemon

Miss Lemon, who is our SEN Unit manager in school and Galaxy teacher, has secured a SENCo role (secondment) for two days a week at another local primary school (initially on a short-term basis).

This means she will not be at Seven Stars School most Thursdays and Fridays with effect from next week but will be here Mondays to Wednesdays.

Our amazing Galaxy team will continue to lead the class on those two days and Mrs Walsh (our school SENCo) is around on Thursdays and Fridays to deal with any SEN Unit related matters.

We know this will benefit us as a school to develop partnership working with another school and we wish Miss Lemon all the best in her new role.

School are again supporting the Royal British Legion by selling poppies and related merchandise in school

We are also thinking about what this means for staff and parents as well over the next few weeks.
