*Where children
come first*

Police Pals

Some of our children in Years 5 and 6 are working with the local PCSO Paul as part of a 'Police Pals' scheme with a focus on helping with safer parking, road safety, speeding and dangerous parking awareness raising, anti-social behaviour, personal safety and they will be hopefully have opportunities to find out a bit more about the work of the local police in keeping our communities safe (and maybe meet other parts of the police team) The children are very excited and they have had two sessions already and it will be lasting all year. They have their own uniforms and are ready for the responsibility of helping our community be safe and be respectful.

Christmas Post-box

The Christmas Post-box will be going out on Monday for any children who would like to send Christmas cards to friends and teachers in school.

If they do want to write a card can they please write the name of the child on the envelope and if possible at least the initial of their last name if they know it and what class they are in

They can then post the cards in the post-box in the hall and Year 6 'posties' will deliver the mail to the correct people

Year 1 trip

Year 1 have all been on a trip today to Leyland Motor Museum as part of their curriculum looking at the local area. At the time of writing this newsletter they have not been but I am sure they will have a wonderful time and there will be plenty to report on Class Dojo.

Support Seven Stars Primary while Christmas Shopping.

We've partnered with easy fundraising, to raise money for more school trips. The cost of transport has gone up in the last few years; we don't want to ask parents for more money and we definitely don't want the children to miss out.

Please register on the link below and do all your shopping via Easymoney, they are industry leaders in helping school raise funds but we need the whole school community to register and shop through their app, link or browser...give it a go!

This link has full details and can be used all year all sorts of online purchases, groceries, car insurance....8,000 retailers. Thanks for your support.

Farewell Miss Blundell

Miss Blundell, who has been working part-time in our school in Apollo class, Year 6 and in other classes, is leaving as she has secured a fulltime role at another local primary school.

We are very sad to be saying goodbye to Miss Blundell as she has been such a wonderful part of our teaching staff but we do wish her all the very best in her new role.

Thank you Miss Blundell and please keep in touch!

New Build The new building is coming on really well and is currently on time to be completed by the end of this academic year

Healthy School and Healthy Eating

We take eating healthily really seriously at school, we discuss healthy eating with the children and encourage them to make healthy choices. We have a policy that only fruit, vegetables and suitable cereal bars can be eaten at playtimes and request that parents do not send in sweets or fizzy drinks at all.

All children are asked to bring in their own water bottles which they are encouraged to drink from regularly throughout the day. It needs to be water rather than juice.
