*'Where children
come first'*

Happy Easter!

Have a lovely Easter break.

Thank you so much for all your support over these last few weeks.

The children have worked hard and it is so great seeing them happy and smiling around school.

We hope you all get some rest as well as have some lovely time together when you can.

See you in the Summer term!

New Build

The new Seven Stars building is coming on really well.

I will send out an update via Class Dojo

The date for the return in September has had to change due to the additional training needed for the new build and getting the school in a fit and ready state for the children to return.

Therefore the new 'grand opening' date will be Monday 8th September (instead of the original Friday 5th September)

We will be inviting individual classes to come one at a time to visit the new school during Thursday 4th September and Friday 5th September

More details will follow soon on Class Dojo.

Sports Clubs

The children are really enjoying the Netball and the Crown Green Bowling clubs that South Ribble are running for us at the moment

It's great to see them having such fun and learning new skills along the way.

A huge thank you to Mr Collier for organising the football training on a Thursday evening which the boys and girls are enjoying and developing their teamwork skills.

Makaton

We are learning a Makaton sign each week to support children's communication skills, inclusion, and understanding of language. Makaton uses signs and symbols alongside speech, helping all children, including those with communication difficulties, to express themselves and interact with others. By learning a sign each week, we can create a more inclusive environment where every child feels understood and valued.

RESPONSIBILITY

We are talking to our children about our new value of 'Responsibility'

At school and home (e.g. Making good decisions with behaviour; caring for others/pets)

In the community (e.g. Volunteering; going to clubs; helping others)

National/international (e.g. Caring for the environment; helping those less well off than us).

REMINDERS

Attendance

Please remember that we are aiming for our children to be in school for AT LEAST 96% of the time on average across the school. Ideally we want 100% attendance as that means they are not missing out on any learning.

The national average for primary schools currently is 94.1%

CAR PARKING AND WALKING TO SCHOOL

Thank you so much to all those parents who have walked to school or been able to park a little bit away from school in order to ease congestion on Peacock Hall Road.

It continues to be tough due to the work (which you can see happening) on the staff car park for the new build.

Well done for your patience during this tricky time.

Please remember it is against the law to park across driveways and drivers are also not allowed to park on the yellow zig-zags.

Lancashire Road Safety team have been out for a meeting and are going to send out a number of information leaflets and posters for us, as well as work with the children on how to keep safe on the roads.

On-line safety

See the internet link below which gives brilliant support and advice about how to keep your children safe on-line
