*Where children
come first*

Sports Hall Festival

Well done to those children from Years 5 and 6 who took part in the South Ribble Sports Hall athletics competition on Tuesday. They showed immense resilience and determination and we are very proud of them.

Spaceship Earth!

Year 5 took part in an on-line space themed event on Thursday which was an immersive, interactive show that catapulted children into a space-themed adventure. They explored the role of the UK Space Industry in helping to combat climate change and they took part in several activities throughout the show that required them making decisions and voting on options. The children learnt a lot about space and climate and also had great fun.

Barratt-Redrow construction talk

We had a representative from Barratt-Redrow construction in school on Friday morning talking to the children all about careers in construction.

Police Pals Report

On Wednesday this week the Police Pals gathered together inside Phoenix Class and talked about Police Cadets. A Police Cadet leader called Louise came in as our visitor and talked about what Police Cadets is and what they do. We watched a video made by some of the Police Cadets, talking about what activities they do. Some things we learnt were that you can join and be a Police Cadet at the age of 13 to 18 years old for free. At the age of 18 you can become a Police Cadet leader and wear a blue shirt. A Police Cadets uniform is a white shirt, trousers, and boots. A hat and a fleece. When they attend events they would wear a blue tie. We were handed a notebook, a flashlight and a card with information on it each.

Finally, we did an extra activity which was doing a crossword. We had to find the phonetic alphabet words which the Police Cadets had to learn.

In the end we had lots of fun.

Reported by Jenny Year 6

Admissions are open for our wonderful Nursery.

We have some places remaining for Easter 2025, please get in touch and arrange a visits.

Fire Service visits

The Fire Service came to Year 2 and talked about Fire Safety with the children on Tuesday morning and on Tuesday afternoon spoke to the Year 6 class about Road Safety. Huge thanks to the local Fire Service for taking time out to speak to our classes.

Learning Powers

We reminded all the children in assembly of the four powers they need to keep making good progress in their learning:

Participation
Concentration
Resilience
Pride

3 'Bes'

We also reminded our children of the 3 'bes' that underpin all our behaviour (of everyone) in school:

BE READY

BE RESPECTFUL

BE SAFE

Attendance

We have told the children how important it is that we attend school and arrive at school on time (so they can access their learning - any gaps are hard to catch up if they miss a lot of time)

Our target for attendance is 96% and we will be reviewing where children are up to and having meetings with parents for those that are in danger of not achieving their academic potential due to poor attendance.
