

# Weekly Newsletter – 28.03.24

## Parents Afternoon/Evening

A huge thank you to all those parents who came along to the parents afternoon/evening this week.

I hope you found it helpful and were pleased with all that you were told.

Those who came along completed a questionnaire which will help us to improve what we do at Seven Stars.

Thank you to the HAF (Holiday club) team who also came along.

## Behaviour in school

We are in the process of doing a big review of our school behaviour, relationships and well-being policy and will be sending out a google form questionnaire after Easter for parents to complete. Please look out for it. We value your thoughts.

## Building work

As mentioned before the work to lay the foundations for our new school are marching on quickly. The next phase will be the Piling which will start in the Easter holidays (which will be noisy and is to do with ensuring a strong foundation for the new school).

We have arranged for a Health and Safety officer from CONLONs to come to school after the Easter Holidays when they will do an assembly about Health and Safety and all the children will meet Charlie Conlon (the Health and Safety mascot)

We will also arrange a careers 'meet' in the Summer term so the children can see all the types of work and careers involved in constructing a school.

There is a small display in the main corridor of school of the plans for the new build and an artists impression of what it would look like (these can also be seen on our school website on the 'school life' page.

## Easter Egg competition

Well done to all the entries for the decorated easter egg competition. There have been some really fun and creative entries.

It was so great to see such brilliant participation and so many people with a brilliant sense of humour.

The winners will be announced on Class Dojo but everyone has put in such a brilliant effort that it has made it so tough to judge!

## Star of the Week Awards

<b>Rockets</b>	keziah
<b>Dorado</b>	Hattie
<b>Orion</b>	Thomas. For putting a huge amount of effort into his space story.
<b>Hercules</b>	Mason for having a successful week in school and completing so great maths work.
<b>Apollo</b>	Beth R for starting to share some answers in class.
<b>Pegasus</b>	Madison K For trying really hard and putting in good effort with all you work
<b>Leo</b>	Eloise for improved participation and engagement in lessons this week particularly maths.
<b>Phoenix</b>	Katie C for her attitude towards learning and always being determined to better herself.

## Positive Planets Points

<b>Dorado</b>	JP S-L
<b>Orion</b>	Zuzanna
<b>Hercules</b>	Mira
<b>Pegasus</b>	Cody M
<b>Leo</b>	Ellie and Isabella
