

Equality Statement

Seven Stars Primary School and Nursery will promote equal opportunity and will eliminate inequality in any area of the school's life or work.

Everyone will be treated equally and given equal access to the curriculum and to the life of the school.

Everyone will have equal opportunity to benefit from all that the school offers.

Our school is proud of its ethos in which we foster excellent relationships between all members of the community including visitors, so that all can thrive.

Diversity and difference are valued and respected and provide opportunities to enrich our school life and learning.
