Dear parents / carers,

New system for our delicious School Dinners

From **Monday 19th April** we will be launching a new way of children ordering their school dinners.

At the moment children make their choice of school dinner when they get to the serving hatch but sometimes that means not every child gets their first choice if everyone before them have chosen that meal.

Therefore as a way to improve the situation children will choose which meal they want at the start of the day. The meal choices will be either 'red' or 'green'. The children will be told what is the 'red' meal and what is the 'green' meal and they can then select the one they want (see below for the choices).

Our office staff will then tell the kitchen how many 'red' choices and how many 'green' choices for each class so enough of each meal can be prepared.

The children will then only need to remember if they are 'red' or 'green' when they go up to the serving hatch (Reception children go with their teachers who will help them remember).

The 'red' and 'green' choice meals are below for you to see (and maybe chat to your child beforehand about their choices)

WE WILL BE STARTING AT WEEK 2 on Monday 19th April

For all children from Reception, Year 1 and Year 2 school dinners are free. For children from Years 3 to 6 school dinners are free if you have 'Free School Meals' (go to the following link to see if you are eligible: <https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/>) For everyone else it costs £2.20 and you can pay on Parentpay (phone the office if you are not on Parentpay)
