*'Where children
come first'*

Quote of the Term:

*"Do not let the behaviour of others
destroy your inner peace."—Dalai Lama*

Isolation

Please remember that if you and your family are asked to self-isolate then you and they are not allowed out in public. There is a chance of a big fine if anyone is caught in public when they should be isolating. Please do not mix with families/friends who should be self-isolating. We are trying to protect the community and we are aware of some children mixing with bubbles when they should be isolating. A lot of schools that I have spoken to have several classes off at the moment so it is still a difficult time.

Important
Information

Class swap mornings

All the children met their new teachers this week in their new classes to get ready for September (some of the Year 6s went to Worden High school and others are doing other transition meetings at other times so worked with Mrs Walsh on team building skills).

We are excited about the year to come (once we have all had a break!) and all that we are going to achieve.

Reports

The reports have gone out this week and it was so nice to read so many amazing comments. We have been impressed with the progress that so many children have made despite the tough year it has been and we know our amazing children will continue to achieve further as they move up to their new class.

If you have not received your child's report please get in touch and we can print it off for you (if you are not on Class Dojo).

Reception parents meetings (new to Reception 2021)

Thank you to the parents of children starting Reception class in September who attended our introduction meeting. It was so nice meeting in the 'swishy swashy grass' and going over all the expectations for September. Please visit our website for further information and if you have any questions get in touch.

Money Owed to School

Please can you settle outstanding Parentpay accounts before we finish on Friday 16th July. We advise parents to keep their Parentpay topped up so that arrears don't occur. Breakfast and After School Club is not funded by the DfE or Lancashire County Council and all charges go towards paying the staff and for the food provided, therefore, we politely ask you to keep on top of payments. We do reserve the right not to allow your child to attend the clubs if your account is in arrears.

Summer Holidays

We break up on **Friday 16th July at 2pm** for the summer holidays (After school club will be open until 4pm for parents who are working or in education).

If you would like to book in for breakfast club and after school club for September, please let us know your requirements by **Wednesday 14th July** so that we can organise our staffing arrangements.

Year 6 Leavers

Unfortunately, we are still not able to have parents into school for end of year assemblies and events which is a real shame but we will be recording an 'assembly' and hopefully putting it on a CD for all the Year 6s to have as a gift from school.

We will arrange a special Leavers celebration in school which will be on Wednesday 14th July in the afternoon. Dawn in the kitchen is organising a special Year 6 Leavers buffet at lunchtime and then we will order some delicious pizzas to be delivered later in the afternoon. Children can come to school in their own clothes that day.

Reception graduation

We will be arranging a special Reception class 'graduation' assembly video over the next few days which will put on Class Dojo. We will be celebrating the special transition for our children moving up to Year 1.

Mid-day supervisors

If anyone is interested in becoming a mid-day supervisor please get in touch with the school office.

You need to be someone with lots of patience, a love for children, willing to get involved in actively engaging with the children and have a very big smile!

(Male or female of any age from 17 upwards - subject to DBS safeguarding checks and there will be a mini-interview)

Sports Days

Each class have been doing their own sports days and have once again proven how fantastic they are. We have some future Olympians in our midst!

Guidance for September

We are yet to find out about the arrangements for September with regards to coronavirus regulations.

We are hoping that we can return to a more normal way of doing things but once we find out from the Government and the Local Authority we will inform all parents via Class Dojo, Facebook and the school website.
