come first'*

## Quote of the week:

*"Do not let the behaviour of others  
destroy your inner peace."—Dalai Lama*

## Thank you

As a school staff, we are so grateful for all those parents and carers who have been so understanding, patient, supportive and resilient over this challenging year. It has been the toughest we have ever been through and I know we are all exhausted but I am sure we can make the last 5 weeks of the year happy and memorable for everyone.

## Sports Days

We are exploring various ways of running our sports day as we won't be able to share equipment, invite parents or mix bubbles. Nonetheless we are determined to have a 'Sports Day Bubble' event and will take as many photos or videos as we can to share for parents to see. We will let you know when we will be running the events if we can.

## Seven Stars Talent Show

We will be holding our Seven Stars Talent show this year for the children in school (sorry no parents for the reasons stated above). The children have been asked to let us know what they are doing and will rehearse themselves independently (no club this year due to the restrictions). We will hold auditions outside in class bubbles during lunchtimes and the finalists will then perform outside on Tuesday 13th July in the afternoon. We will video the performances for parents to see.

## Year 6 end of year assembly and celebration event

The end of Year 6 assembly will be on Wednesday 14th July in the morning and we will let you know how we intend to do it nearer the time. Parents will not be able to come to school but we may be able to record an event or possibly a Zoom assembly but we will keep you informed. The 'meal' will be in school and we will organise some party food for the children and make it a great send-off. More details will follow. We will let you know about other events as guidance becomes clear.

## Behaviour

We have five weeks to go before the summer holidays and we want to finish on a positive happy note. The vast majority of our pupils show exceptional behaviour. They are respectful, polite, hard-working and well-mannered and I would like to thank every single one of them for making school a happy place to be. There are some children who have struggled in their behaviours but have made huge improvements over this year despite the challenges and we are very proud of them. Some children are still struggling for various reasons with their behaviour and our goal is to help them learn how to behave well. We can help them improve with the support of parents/carers and staff in school.

## Rewards for this week (Well done!)

Well done to all the children who have been noticed for enthusiasm  
We're so pleased with all the children who have achieved so much this week - well done!

## Year 5 Taster day at Worden Academy

Year 5 children will be visiting Worden Academy on Friday 9th July. The coach will be leaving school at 9am (do NOT be late) and returning at 3pm. We will send out a letter with more details nearer the date.

## End of year reports

The end of year reports will be going out at the beginning of July and we will also be letting you know who your child's teacher will be next year.

## On-line behaviours

We are encouraging our children in school to be kind on-line. It is never ok to send nasty or threatening messages either when gaming or on social media. Parents/carers please monitor your child's behaviour when they are on-line and in the new academic year we will be running parents workshops to support you in helping to keep your child safe on-line.

## New Reception Parents

We will be holding our parents event on 24th June for parents/carers of children starting with us in September 2021.

Please visit our School web-site for more details and we will in touch very soon to let you know about the arrangements.

## End of year events

Due to the current restrictions and the rise in cases recently in the local area we will not be able to invite parents to any of our end of year events, which is sad but we are grateful that we are at least able to consider events without the whole school being on lockdown which is what we had last year.

We will however take as many videos as we can and consider ways of Zooming and live linking events wherever possible.
