*'Where children
come first'*

Sports Mornings

Well done to all our amazing children who took part in the Sports events this week. It was lovely seeing all the smiles on their faces and how well they participated (even in the heat of a very sunny week in school). Thank you to all the parents who came along and supported the events and made it a special occasion for everyone.

All the children are receiving a certificate to say well done. For Years 1 to 6 we also had a competition between the house teams and the results of the teams were:

4th - Mars (Red): 280 points

3rd - Venus (Green): 311 points

2nd - Pluto (Blue): 330 points

1st - Saturn (Yellow): 331 points

Saturn are therefore the 2022 winners of Sports Day (by 1 point!) and their yellow ribbon has been tied around the school Sports Day trophy. However, we are very proud of every child in every House Team who took part and the main thing is that we all had an enjoyable day.

Photos and Videos at Events

You are allowed to take photos and videos of your own children at any school events but if you also end up with other children on your photos or videos you must not post them on Social Media (for safeguarding reasons)

Athletics Festival

We had South Ribble Athletics coaches in school on Wednesday running training sessions for our years 3,4,5 and 6 children.

It was, as usual, very high quality training from the coaches and the children put in their full effort again.

Tots on Tyres

Our children in Reception class are enjoying their 'tots on tyres' coaching sessions with South Ribble learning to ride their balance bikes and help them on their first steps towards cycling and balance. Well done to the all the children for doing so well.

Current Reception Parents Visit to the Rest of the School

Thank you to those parents/families of the current Reception children who came to look round school on Wednesday morning. We will be doing another tour of school after the Reception Graduation assembly on Tuesday 19th July.

Fencing

Some of our older children have been attending fencing club on a Tuesday after school and enjoying every minute of it. It's great to see them take part in sports they might not always get a chance to do.

Whole School Events/Dates Coming Up

OFSTED - Please be aware that we are due a visit from Ofsted at any moment - this means that some events may have to be delayed or rearranged (e.g. Sports days or performances) because Ofsted will want to talk to teachers and pupils and subject leaders and we can't manage big events and show Ofsted the brilliant things we are doing at the same time.

We will however work round it to make sure we still have our end of year joyful shared memories.
