School Uniform Change

Dear parents/carers,

In the light of the move to a brand new school building in September 2025 we are taking this opportunity to make a change to our school uniform to mark our brand new future.

We are moving from the current red colours to a more natural green colour.

Green is considered one of the colours that promotes a calmer school and would also reflect the big focus we will have on the outdoor environment given the huge outdoor area we are going to have.

The current Early Years children already have light green jumpers so there would not be a change for Nursery or Reception classes.

However, for Years 1 to 6 (including Galaxy and Apollo classes) we will be moving from red to a darker (bottle) green. The green will also be reflected in the signs around school and the logo used on our letterheads and documents. We will also update our web-site and social media pages.

We are not proposing to change anything else other than the colour of the uniform (so it should be minimal cost to parents) and we are negotiating with Impressions (our school uniform shop) about prices. A pack of two crew neck bottle green jumpers without logos from Tesco's currently costs between £5 and £9 depending on the age. We will let you know about the cost of a jumper with a logo on if you would like to purchase that.

(We will have examples to display to parents at the office and over the next few weeks)

We are aware that this might mean an added expense to some parents who were not planning to buy new uniform for 2025 so we will have a period when children will be allowed to wear their red jumpers and uniforms up to March 2026 if they want/need to.

If you have any questions or comments please let us know either on Class Dojo or email.

The normal uniform expectations for September 2025 can be found below.

If you wish to see our updated Uniform Policy it will be on the school web-site to see once it has been revised.

Yours sincerely

M C Mitchell Mike Mitchell (Head teacher)
