Spring Term 2022

It is lovely to see everyone back in school and full of enthusiasm. It is also a great opportunity to welcome our new starters into the Moon class family. All the children have settled well and are enjoying our new topic "Journeys and Adventures". We are going to be very busy this term finding out about the local area and other places in the world. We will be learning about different celebrations and customs.

The Foundation Team

Yoga

Our yoga sessions are on Wednesday. This enables everyone to take part. Children do not need a PE kit as we do yoga in our bare feet with our own yoga mat.

Please encourage your child to put their own socks and shoes on. This enables them to be more independent in class.

PSED

We are continuing to develop relationships with our Key Workers, adults and friends in class. We are learning how to take turns, wait and share. These are skills that will enable us thrive in school.

We are also learning about emotions, and how people are feeling. We are developing an understanding that our actions affect others and looking at facial cues to help us recognise how others feel.

HELPING AT HOME

1. Counting - counting things in the home eg. shoes, steps, spoons, pasta, pencils, toys, etc. Remember to use your counting finger!
2. Make a den using blankets, pegs etc.
3. Have your own adventure - tell us where you went and what you saw.
4. Write lists for the shop and then take it with you. What do you need?

COMMUNICATION & LANGUAGE, LITERACY

Our focus this term is Journeys and Adventures. We will be focusing on Jack and the Beanstalk, developing story knowledge and learning how to retell a story using props and resources.

MATHEMATICS

We will continue to develop our number recognition and counting skills. We will use a variety of resources and real life problems within our play. We will be developing our language of size and using this fantastic vocabulary when we are busy. We will also be comparing objects, saying which is the

TOPIC

We will be learning about different places and environments, and how we can get there. We will be developing our maps skills and using the vocabulary: along, across, over, under, through, behind, next to. We will be celebrating Chinese New Year and finding out about the special customs linked to this event.

Love of Books Project

We will be launching our Love of Books project soon. This is a great way to get everyone involved in sharing books and developing a love of books and storytelling. More details to follow.
