'Where children
come first'

MacMillan Coffee Afternoon

Our coffee afternoon has taken place today and we would like to thank everyone who came along and helped raise money for what is a very worthy cause. We will update you next week to let you know how much we have managed to raise! Thank you for your support.

Special Lunch!

We are holding a very special *Beauty & the Beast* themed lunch next **Thursday** and we are hoping that we can get as many children as possible to join in with a school dinner on that day. **The more children in Reception, Year 1 and Year 2 we can get the more funding we will receive for the school** as this is a census day. Dawn and the kitchen team have been working hard producing a special menu and lots of fun decor for the event. There is a competition to decorate the best paper plate with prizes to be won! See the end of the newsletter for our very special menu and 'Be Our Guest'!

Parking Outside School

Please be very careful when parking near the school gates. Do not mount the kerb if children are nearby. We also ask that you continue to be mindful of our neighbours and keeping their driveways clear. Thank you.

Election!

We will be holding elections for the Pupil Parliament next Wednesday afternoon. Ten children will be selected from each class to represent their class at the Pupil Parliament and help us to run the school and make decisions on behalf of the children. We will select our members of the cabinet from the Year 6 children.

Names in Clothes

As you all know children often leave items of uniform or other clothing in school and we always do our best to locate

lost items, but it is very difficult to locate them when they are not named. Please put a name in your children's clothes and on lunchboxes etc. so that we are able to return lost items to their rightful owners. Thank you.

Smoking

Please remember that smoking is not permitted anywhere on the premises or at the school gates. Please also remember to dispose of your cigarette ends in an appropriate receptacle. There are blue bins on the pavement at both ends of Peacock Hall Road which have cigarette disposal on top. Thank you.

School Photos

Please have all school photo orders back in to school by Thursday 3rd October. You may order online after that date but will then incur a postage charge. Thanks .

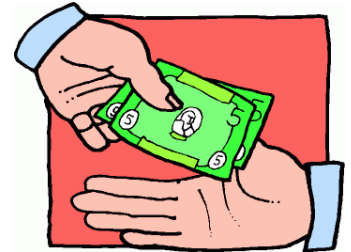

ParentPay

Half of our parents are now signed up to Parentpay and using it successfully on a regular basis. It is much easier to keep track of everything and you will instantly be emailed receipts for payment. **We are moving towards all payments being done this way in the future so the sooner you can sign up the easier it will be when the time comes.** If you need any help using it or would like a copy of your sign-up codes please contact Mrs McVicar in the school office and she will be very happy to help.

Keeping Payments to School Up-to-Date

Please try to keep all payments to school as up-to-date as possible at all times. Failure to do so may result in your child being unable to attend wraparound clubs or us requesting that you send your child to school with a packed lunch until any school dinner debts are cleared. If you are experiencing financial difficulty please do not hesitate to contact Mrs McVicar in the school office, who will be happy to discuss this with you. The easiest way to pay and check balances is by signing up to ParentPay or you may pay by cash to the school office. Receipts are always available, upon request.

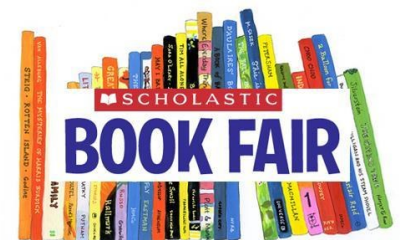

Swimming Caps

We have a small number of swimming hats available in school for any children in Year 5 who might lose or break theirs. They cost £2.00. Swimming caps must be worn every week.

Book Fair Thanks

The Scholastic Book Fair has gone back this week and we would like to thank everyone who visited or bought books. We also wish to thank Mrs Wheatland for organising and all our other fantastic members of staff who gave their time to help!

This Week's Star children (Well done!)

Well done to the **Stars of the Week**. The Star of the Week this half-term is for those children who are 'Starting Well' which means being kind, being determined and being here on time. This includes listening well as a lot of our children we have noticed are really good at listening and there are some who need to work on their sustained listening skills! Conversations at home and in school really help with listening so if you get a chance to chat to your child about what they are doing in school that'd be great.

We are so pleased with our brilliant **WOW** children who were noticed by staff in school for doing something that made us go 'wow!' in their behaviour, attitude or effort in work.

Congratulations to the **VIP** children for making good decisions or demonstrating one of our core values (we all enjoyed a hot chocolate with Mr Mitchell in the afternoon).
