How can I help / information for helping

Practise writing letters using the correct starting point and formation, especially in their name. Ask your child to write all the sounds they can hear in a word. Can they hear the initial sound?

Discuss vocabulary with your child when reading stories at night time.

If your child requires a little extra support ask your child to create their name or words using cut up letters to remove the pressure of writing.

This is a great opportunity for your child to develop their story telling skills. Once your child starts to recognise a variety of letters and is blending sounds together at school they will be given a book containing words each week to share with you at home Books will be sent home each Wednesday and collected in every Monday morning. Therefore, your child will have their book from Wednesday to Monday at home. We will ensure whilst your child is at school that they read at least twice a week to an adult. Please make sure you write in your child's Reading Record book each time you hear them read.</p> <p><u>English Homework</u></p> <p>Homework will be sent to you via Tapestry and will focus on the sounds we have been learning that week as well as any tricky words we have been learning.
