Dear Parents,

Yesterday I wrote out with information regarding the proposed expansion of Key Worker provision and opening a second room.

I am now in a position to be able to clarify and give you some details regarding this provision:

1. You can request a place in provision if you and/or your partner is a Key Worker. Please contact the office administrators, by school phone or email [offices@leedsfederation.org](mailto:offices@leedsfederation.org)
2. There are 15 spaces in the provision. Once these places have been allocated, you will be placed on a waiting list.
3. The provision will run from 9am - 3pm and your child/ren can attend every day.

You will be updated with the finalised class location, attendance conditions and entry points for this provision once your place has been confirmed.

Children already attending in provision bubble A will continue with the current opening and closing times. There is no scope to swap bubbles.

We do hope this helps some families with their childcare arrangements.

Kind regards,

**Sarah Richards**
