Dear Sarah

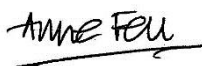

Welcome back and I hope that you have had a good start to the year.

The Learning Improvement team has been carrying out data analysis and review of outcomes for Early years, KS1 and KS2 including closing the gap for disadvantaged learners.

Initial analysis of attainment and progress at Shadwell indicates that you have outcomes significantly above national in reading, writing and mathematics combined. We are pleased that the work that your school has undertaken has had a positive impact and trust that any engagement with the Learning Improvement team has supported these improvements.

Congratulations to the whole team for their dedication and hard work which is positively affecting outcomes and will improve the life chances of all these children.

Best wishes

Anne Fell
Joint Interim Heads of Learning Improvement

Kim Porter
