

Shadwell Food Ambassadors

Minutes of Meeting 22 April 2022

In Attendance: Mr Rugg and Food Ambassadors

We received our badges:

After what seemed like a long time waiting for our badges to arrive we finally received these. Food Ambassadors will wear these with pride. Look out for anybody in one of our green 'Ambassador' badges if you have questions about lunches and food in school.

Table of the week:

With the return of our whole school Celebration Assembly this week we are now able to re-introduce table of the week. Ambassadors will now monitoring lunchtimes and keeping a record of tables they feel have demonstrated: good manners, being helpful, talking quietly, tidying up, looking after younger children and other good behaviours.

Food Ambassadors will announce the table of the week in the assembly. That table will then have special place mats and decorations and will be entitled to an additional treat such as an extra pudding at the end of the week, extra fruit or fruit juice with their food.

Clearing up:

Children must ensure their table is clear and set before being allowed to leave the hall.

Jubilee Celebrations

To celebrate the Queen's Jubilee, on Friday 27 May we will be having a picnic lunch outside. Children will be able to make choices for a packed lunch prepared by the kitchen and it this outside (weather permitting!). We will make flags, bunting and decorations for the celebrations.

Thank you!
