

Shadwell Food Ambassadors

Minutes of Meeting 19 May 2021

Food Ambassadors: Year 2- Eve, Jude and George, Year 3 – Noah, Ruby, Beatrice and Aaryan, Year 4- Isla and Georgia, Year 5 – Lydia and Molly, Year 6- Sonny and Dylan.

In Attendance: Mrs Greenfield

Mrs Greenfield introduced the new menus to us for September!

These menus have lots of exciting choices and we all thought that they looked great. Every day offers four choices – a meat or fish option, a vegetarian option, a sandwich option and a jacket potato option. Having the sandwich option is very similar to bringing a packed lunch so Mrs Greenfield encouraged current “packed lunch” pupils to give this a try! The meal will include a sandwich, the choice of the salad bar and yoghurt or a pudding. Fun fruit will be re-introduced too!

The new menus feature some vegan options such as a vegetable nugget wrap with jacket wedges, which the Food Ambassadors liked the sound of!

There are also some delicious new puddings such as pancakes with berries and yoghurt and chocolate fudge yoghurt cake – all made according to the healthy food regulations.

Lunchtimes:

In September, lunchtimes will initially operate as they do at present, with classes in their bubbles and three sittings. Hopefully after the first few weeks, we will move to Family Service, where the classes can mix, over two sittings. We discussed the way that children will then be able to help with jobs again such as clearing the tables. We were also really excited to think that we could then reintroduce Table of the Week with house points for the table which exhibits the best manners and behaviour!

Environmental Issues:

We hope you have noticed the new way that fruit and puddings are being served, to avoid the use of plastic pots which were then thrown away. Thank you to the Eco-Monitors and Mrs Greenfield for making these changes!

Next Steps:

The Food Ambassadors will tell their classes about the new menus and would like to encourage everyone to try these! If you currently bring packed lunches, why not try our amazing new sandwich option?

The Food Ambassadors also talked with Mrs Greenfield about Theme Days and she is looking forward to reintroducing these and creating special menus and decorations!
