

Dear Parents and Friends,

I am writing to thank you for your generous donations over the last year which have enabled our PTA to achieve the successful fundraising and installation of our new playground equipment. We are additionally grateful to the Lady Elizabeth Hastings Trust, with whom our PTA spent time in applying for funding and who donated a very generous sum of money so that we could achieve this fabulous provision for the children.

Shadwell Primary School is so lucky to be part of our caring wider community and to have so many supportive parents. I am sorry that I am not currently able to invite you to the opening of our fantastic equipment, but for now I thought that you would appreciate some pictures.

The trim trail in this picture will be such fun for the children and will enable them to develop their skills of balancing and climbing, which are so valuable to their physical development.

I can't wait until I can send you a photograph with our children back in school, enjoying it.

Your fundraising efforts have also provided this net for the children to climb and scramble across, which again, will ensure lots of fun!

They will also benefit from the balancing bridge, where they will develop strength and skill.

I can just envisage the children crawling through the tunnel and hiding in here, playing and laughing together! Thank you so much for the wonderful opportunities that you have brought to their playground.

The whole area looks revived and rejuvenated, so much more exciting and inspiring for the children – and it is all because of our hard-working PTA, the generous support of the Lady Elizabeth Hastings Trust and to you, our Shadwell parents and families.

Please accept my heartfelt thanks for your generosity and for all your support to our lovely school; as soon as we are able, we will definitely have a celebration in opening this equipment for the children!

Sarah Richards
