AGENDA

We will now share our agenda with you.

An agenda tells you what we talked about and the decisions we made.

1. We discussed the idea of a fund raising Sports Day and the suggestions that came from everyone in their class meetings. A lot of children would like an Activity Day when they could choose from cooking, craft and other special activities as well as sport. Would you like an Activities Day or a Sports Day?

Activities Day	Sports Day

What activities and sports would you like to be on offer?

2. The suggestion of a variety of prizes, as well as chocolate, was very popular! When we have raffles from now on, we will suggest that there is a range of prizes. The Councillors all agreed that prizes suitable for different age groups would be great!

3. The idea of developing the outdoor area was well received by all classes. Mrs Hall will arrange for Georgia to meet with Mrs Kennett to discuss this further. Some classes had suggested that we have Eco Ambassadors at Shadwell. They would improve the outdoor areas and help us to be more environmentally friendly. Do you think this is a good idea?

YES	NO

What do you think Eco Ambassadors could do at Shadwell? One class suggested litter collection on the playground.

- The Easter Bake-off was a very popular idea and the School Council look forward to planning this exciting event!

The School Council also received lots of other ideas from your classes. We would like to share one with you.

Would you like a fundraising day where you can dress us up as a teacher? Some children from each class could take on the role of the teacher for the day – taking the register, reading a story, writing parts of the lessons on the whiteboard and so on!

YES	NO

What parts of the teacher's job would you like to do?

Thank you for your suggestions. We will discuss them at our next School Council meeting. We will also be selecting the Food Ambassadors by reading all the applications and discussing them!

**Thank you for helping to make our
school great**
