Update from each class on playtimes and lunchtimes – now that we can play on the field, there is more room for football as well as other games. This is helping everyone to get along better and there have been

fewer disagreements.

We could do with more footballs in the playtime boxes as these are so popular!

The bin at the far end of the playground is very helpful and saves children having to cross bubbles.

The Councillors felt that everyone is remembering to keep their distance when moving around school which is positive.

We talked about next term and Mrs Hall explained that we hope to be able to return to Family Service in the Hall. Everyone was very excited about this – we talked about how lovely it was mixing with different age groups! Y5 and Y6 children said that they had enjoyed helping the younger ones when we used to do this.

The Councillors asked if we will be able to mix at playtimes and have assemblies again. Mrs Hall said that we hope to be able to do these things and also to reintroduce buddies! The Y6 children have been sad that they didn't have this opportunity but the Y5 children were very excited.

We will have a final meeting for Mrs Hall to thank everyone for their hard work this year; this will be held in July. Keep up the good work until then, everyone!

Remember to...

Read out these minutes to your classmates so they know what is going on in school and how together we are helping to make it a better place.

Bring your folder to each meeting.
