Introducing the Bootroom Bulletin!

Welcome to the Bootroom Bulletin! The official magazine of Federation Football hits news-stands today in co-ordination with the Federation World Series. Federation Director of Football, Mr Brotherton, was deep in discussions with the bosses at UEFA Headquarters late into last half term thrashing out a deal to bring the World Series to Bramham and Shadwell, and now it can officially begin! Seen by many as running in conjunction with Euro 2020, the World Series will surely prove to be just as entertaining!

- Latest League Tables

World Series Kicks Off!

The very first Federation World Series gets underway today as Shadwell Y3 Girls' play Bramham Y4 Girls'. Although Bramham have a slight age advantage, they also only have 8 girls in the whole class, meaning it'll be all hands on deck in order to keep their ship steady against the storm that an energised Y3 team will hurl their way. It'll be both sets of players first games for school and with no previous form to go on the stage is set for both teams to write their own story this season and set the tone for the rest of the tournament.

Early Clash of the Titans in the Upper KS2 Girls' League

The Upper KS2 Girls' League gets underway on Tuesday, with many pundits predicting the two teams playing are early favourites to push for the league title. Shadwell Y6 and Bramham Y6 face off in what can only be described as one of the ties of the week, with the winners undoubtedly able to lay a claim as frontrunners for the title, having an age advantage over the other two teams in their group. Opening games in group stages tend to be tense, nervy encounters, but this proves to be anything but, with both teams having many strong, experienced players desperate to get back into playing sport for school. It's anticipated they both come flying out of the blocks trying to net an early goal or two to set themselves up for the rest of the game!

All Shadwell match-up this Thursday!

Thursday's game sees Shadwell Y3 Boys face off against their Y4 rivals in the opening game of their group. With both sides having plenty of children wanting to play it'll be who has the most strength in squad depth to go the distance. A school debut for all involved will surely lead to an entertaining game, and a busy week for Shadwell Y3s who see both their teams in action in only a matter of days!

Bramham Vs Bramham ends First Week with a Bang!

An all-Bramham encounter rounds out what will no doubt be an exciting first week of World Series action as Y6 Boys play Y5 Boys on the school field. In a different time, these two groups would have been teaming up to play against other schools, now they must face off in a bid to claim top spot in their group and put pressure on the Shadwell teams yet to play. We've certainly saved a cracking game till last.
