## **Shadwell Y4 Girls get off to a winning start!**

Shadwell Y4 Girls got their World Series campaign underway on Monday in a highly anticipated encounter against Bramham Y4 Girls. Bramham, fresh off a 3-1 victory against Shadwell Y3 knew that a positive result here would mean they'd be in a great position in the league. Shadwell, however, are a force to be reckoned with and proved as much when they were able to break the deadlock; a ball across the attacking third found its way to Ella who was able to finish the opportunity.

Other than the goal the game was very even with both sides having decent possession; Bramham's Ruby providing the main outlet for her team with lots of defensive cover and well as some brilliant barnstorming runs down the wing!

Bramham were able to make their own breakthrough a couple of minutes into the seconds half, some good pressure through the middle allowed Ava to bundle home for her second goal of the tournament!

Bramham were working so hard, with no substitutes they had to face what was essentially a brand-new Shadwell team in the second half, with many more girls in their squad. Still, there were a good number of

Shadwell players playing their first ever game, not that you could tell, they all worked so well together!

Unfortunately for Bramham, all the effort they put into the game began to take its toll towards the end, Shadwell took the lead and were able to capitalise, scoring two more in quick succession with Emelia and Holly (2), who was voted Shadwell's player of the game getting themselves on the scoresheet to grab a 4-1 win. Captain Phoebe was voted Bramham's and she showed great composure to pick her team up when things got tough.

Shadwell will surely be delighted with the win, but Bramham shouldn't too disappointed; anyone watching could see how much they wanted to do well and their performance speaks much louder to their efforts than the final result.

## **Bramham Y5 Boys do it again!**

Bramham Y5 Boys continued their fairy tale season as an early goal got them a crucial 1-0 victory away against Shadwell Y5s! Having half the players in their squad compared to Shadwell was always going to be a disadvantage, especially on a very hot day; Shadwell were able to provide an entirely new team of fresh legs

at the beginning of the second half, much like the Y4 Girls did on Monday.

Still, a well-disciplined Bramham defence proved too sturdy for the Shadwell attack who repeatedly pelted crosses into the penalty box, but to no avail. Multiple times Shadwell were just an inch or two away from connecting with an effort but it just didn't fall their way.

Bramham's maturity showed in their willingness to defend and see the game out as a team when they could have attacked in the search of individual glory. A back three of Will, Bodie and Connor (voted player of the game) provided a formidable wall that tackled and cleared all that came in their way. Producers of the Bootroom Bulletin are coming under increasing amounts of pressure to include a 'Save of the Week' section, however a combination of lack of space and poor Microsoft Word formatting skills from Mr B makes this unlikely... Although if there was such a section Bramham's Thomas would get the award this week making one ridiculously good save in particular, flinging himself to his right to keep out a shot, with Connor blocking the rebound on the line!

On a different day Shadwell could have scored at least three, but sometimes things just don't go your way; I'm sure they'll be able to pick themselves up in time for their next game!

## **Clinical win for Y6 Girls!**

The fire-door derby was hotly contested on Thursday as Shadwell Y6 Girls and Y5 Girls faced off in a blazing match.

Y5 had no less than 6 players making their footballing debut

## **Y4s overcome Y3 in football frenzy!**

Both Bramham Y3 and Y4 Boys got their tournament underway last Friday in a thunderous game

## **Shadwell Y6 Boys kick off their campaign!**

The long awaited return of football for the Y6 Boys gets underway on Monday in our first game of the week!

Shadwell, yet to play, find themselves currently propping up the league table; there's no doubt they'll be looking to make this change by the end of play!

In order to do so they'll have to take down a tough Bramham side who are looking to bounce back from their defeat to the Y5s last week. With both teams desperate for a win it'll be interesting to see who comes out of the starting blocks the fastest!

## **Y5 Showdown on Tuesday!**

Shadwell Y5 Girls look to rebound on Tuesday as they host Bramham Y6. With both sides having lost their first game this match will surely prove to be a real cracker as both teams attempt to save their tournament; a win for either side will fire them up the league table and put pressure on Shadwell Y6 who will be hoping they cancel each other out and the game ends in a draw!

## **Shadwell Y5 Girls to make their World Series Debut!**

The battle of the upstairs classrooms takes place on Thursday when the Shadwell Y5 Girls take on their Y6 counterparts. A fire door separates the two classes and the Y6s will be hoping their World Series dreams don't go up in smoke as they look to continue their hot start to the tournament after extinguishing Bramham Y6s last week in the final minutes of a fiery game. The Y5s would usually have played plenty of football by this stage in a regular year, but this time they can't let inexperience get in the way; everyone will need to be brave and give it everything they've got!

## **Another day, another derby!**

Not had enough football this week? Get ready for a Friday finale like no other as Bramham Y4 Boys take on Bramham Y3 Boys! Both teams are yet to play in this World Series and the energy is high in both classes as each team looks to get off to the best possible start. With 20 boys in the Y4 squad, Mr B had better get his rotation sheet ready as all players will be desperate for game time.

Y3, meanwhile, look like they could be tricky opponents for the older Y4s; they're sure to come with lots of energy and after seeing the Y5 team win against older opposition last week, will believe anything is possible!

### **World Series Goal of the Week!**

0 – The number of goals Bramham Y5 boys & Shadwell Y6 Girls have conceded in their first two games; the only teams who have played to yet let in a goal!

0 – The number draws we've had so far, out of 8 games! Great to see all the teams going for the wins!

5 – No match has had more than five goals in it, will we see a new record next week?!

## **Latest League Tables!**

World Series Point Scoring System:

Win – 3 points; Draw – 2 points; Loss – 1 Point

If at the end of the group teams are level on points, the winner is decided by the following: goal difference, then head-to-head result, then which team scored the most goals, then which team conceded the least goals, then rock/paper/scissors best of three between two nominated players!

Upper KS2 Boys':
