

Bootroom Bulletin

Official Sports Magazine of Bramham Shadwell Federation

2021-22

Volume 2 Issue 1,

19th October 2021

We're back!

It's the most hotly anticipated return no-one was waiting for!

That's right, the Bootroom Bulletin is back! After multiple summer meetings, the Board of Directors decided on the go ahead for the biggest magazine since the Parish Council Newsletter. Although we can't promise it to be bigger or better than before, this time the Bulletin will include all the sporting activities going on around the Federation as we look to bring sport back! It isn't likely the Bulletin will be released every week as content will depend on what is happening, but keep an eye out for the issues!

Inside:

- Cross Country Regional Finals Results and League Tables!

Bramham & Shadwell run the opposition ragged at Cross Country!

The Federation took a record 81 children from KS2 to the Cross Country Regional Finals! Well done to all involved, not only did they compete to their best, but they also represented school brilliantly at the biggest event since lockdown! Both schools performed to an outstanding standard and we are pleased to announce the results tables.

The criteria to qualify were as follows:

- As each child crossed the finish line, they were given a number to represent their finishing position in the race.
- These numbers were then added together, meaning that the lower the total, the better they finished overall and the higher up the leader board the team would be.
- The top five school teams in each race would qualify for the Leeds City Finals - to be held sometime in February.
- If a team didn't qualify, individual runners could still qualify for Leeds Finals if they finished among the top 5 ranked runners within the teams who missed out on a top five place.
- There were 8 races in total, meaning both Bramham and Shadwell each had a team in each one.

Position	Y3 Boys	Pts	Position	Y3 Girls	Pts

18th	Scholes C	349			

The Federation as a whole recorded 9 teams qualifying for Leeds Finals! Bramham had 3 teams. This is the first time we have ever had teams get through! Shadwell managed to get 6 teams to qualify: the most out of any school participating!

As a Federation we were also able to get three individual runners to city finals as well so a special well done to Nelly (Y3), Emily (Y4) and Jackson (Y6) who will compete in their respective races against the best runners in Leeds. This will happen sometime in February!
