Brilliant Bramham grab Netball victory!

Last Thursday saw a great Netball game with a fantastic win for Bramham as they were able to beat Bardsey 2-1 away. With some players having their first game for school it was brilliant to see them dive fully into the match! Bramham started brightly and through some excellent build up play created a few chances to score; both Captain Carrie and Freya scored the points to put us 2-0 up at the end of the first quarter!

Both the 2nd and 3rd quarters ended 0-0, though it wasn't for lack of trying; Darcy (voted player of the

game by the opposition) was unlucky to see her shot bounce off the rim, but some great pressure from her and Ella meant the ball stayed in our attacking end and limited Bardsey chances.

Despite Bardsey scoring in the final quarter, this had Bramham's best moments! The team took instructions on board and really fought for every loose ball and interception to keep the win! The passing and moving also grew as the game wore on, making it an overall brilliant performance!

Shadwell success away at Manor Wood!

Shadwell Netball were also on the road last week as they made the journey to Manor Wood in search of victory. Some great points from Sienna early on settled any nerves and the team got stronger from there; rebounding was the aim of the day and the team certainly achieved that, with Kaya leading the way with a great rebound and putback shot to extend the lead!

Captain Sharn, voted player of the game, also grabbed some huge rebounds towards the end, along with some points of her own, to put the game out of sight! The whole team contributed on both the offensive and defensive sides of the game to round off an extremely positive performance and a 13-0 win!

Y5 have an enthralling game!

Thursday saw both Bramham and Shadwell Y5 boys take on each other in the Federation Derby; with high levels of participation game organisers took it upon themselves to increase the players per side from nine to ten to facilitate more action for the players.

Despite most of the first half remaining 0-0 it wasn't for lack of chances and action with both teams very committed when tackling and showing tremendous energy all over the pitch!

Bramham took the lead with a great finish from Mustafa who found the goal on a brilliant Bramham break away! Shadwell were able to level when Theo slotted the ball home to make it 1-1 despite the best efforts from the Bramham defence.

As the match continued into the 2nd half Shadwell pushed forward, enjoying possession in and around Bramham's penalty area; Captain Ethan was able to capitalise in the Bramham box to fire home, this time giving Shadwell the lead!

Minutes later Shadwell made it 3-1 with the goal of the game; a volley from Pranav from the edge of the area worthy enough to win any game. Declan in the Bramham defence was having a storming game and made crucial tackles to keep his side in it!

Bramham showed excellent resilience throughout and made the last five minutes thoroughly entertaining; a long range strike from Sid found its way into the bottom corner. Sensing the possibility of a draw Bramham pushed ahead and were unlucky not to get more from the game, with a couple of driving runs from Max resulting in near misses.

The final score remained 3-2, a cracking game for both teams and played in great spirits!
