

Curriculum Newsletter

Bramham Shadwell Federation
Class 1 January-February 2023

All our learning in class this half term will be focused around the question:
'What does freedom mean to someone'

English

- This half term the children will be trying their hand and writing an adventure story. They will start by learning the Oliver Jeffers story 'Lost and Found' using a story map before changing their characters and settings and writing their own 'Lost and Found' stories.
- We will continue to focus on using capital letters, finger spaces and full stops in sentences but will also introduce the children to using exclamation marks and question marks in their writing.
- The children will also be learning to use the "ed" suffixes correctly.
- Children will learn how to use the conjunction 'and' to extend their sentences and thoughts further.
- We will be exploring a range of texts, both fiction and non-fiction about animals, Africa and journeys.
- We will continue to practise the spelling of Year 1 high frequency words.
- In Phonics children will finish learning the additional RWI sounds and consolidating their known sounds and blending skills through daily speed sound and storybook sessions,

Maths

- The children will be continuing to explore numbers to 20
- We will be solving addition and subtraction problems within 20 using a range of strategies, including counting on and back, making 10 and adding and subtracting ones.
- The children will continue to develop their mental maths skills, specifically number bonds to 20.
- They will build upon their knowledge of place value to aid their mental addition and subtraction skills.
- We will also be investigating length and height

How can I help / information for helping

- Continue to share and enjoy books with your children at home. Discuss the language used by the author and look at the punctuation – are there any exclamation marks or question marks?
- Have a 'word of the week' – something new to your child, which they have come across in a book. Can they remember it, spell it, use it in their writing at school?
- Listen to your child read their school reading books and please remember to write a comment in their reading record so we know to change their book.
- When your child is writing at home, please encourage them to use the correct letter formation (if you need another letter formation sheet, please let us know).

How can I help / information for Helping

- Play lots of counting games with your child.
- Pose practical maths problems – we are going to Grandma's on the 15th but today is the 9th; how many days until we go?
- Always ensure your child is pronouncing their numbers correctly – teen and ty.
- Use the language of long, longer, longest, tall, taller and tallest when comparing length and height.

KIRF Targets – Spring Term 1

- Know doubles for the numbers to 10
- Know halves for the numbers to 10

Topic	Science	P.E
<p>Focus is: Hot and Cold Places with a particular focus on Kenya</p> <p>Skills / knowledge to be developed: This half term we will be learning about the hot and cold parts of the world. In particular we will be looking at Kenya and comparing it with Leeds and the UK. We will be exploring both human and physical features, such as climate, towns and cities, buildings, beaches, mountains, vegetation and crops.</p> <p>Applied through: Using a range of geographical vocabulary and finding similarities and differences between where they live and Kenya.</p>	<p>Focus is: Materials</p> <p>Skills / knowledge to be developed: Sorting materials into different types. Describing the properties of different materials.</p> <p>Applied through: The children will investigate a range of materials through different experiments and will determine which materials are best suited to specific purposes.</p>	<p>Focus is: Gymnastics</p> <p>Skills / knowledge to be developed: Showing control and coordination when performing gymnastic actions – walking forwards and backwards, travelling on hands and feet, making shapes and rolling.</p> <p>Applied through: The children will practise a range of basic gymnastic actions and will develop and perform a sequence of moves on the floor and on apparatus.</p>
<p>How can I help / information for Helping Look at maps and atlases with your child – can your child find the UK, Kenya, Antarctica? Can they name the continents and the oceans? Can they point out the equator and where the hottest and coldest parts of the world are? Look at where your fruit and vegetables were grown – is anything from Kenya?</p>	<p>How can I help / information for Helping Discuss with your child the different properties of everyday materials you come across. Go on a material hunt and try to find the best materials to make a shelter with.</p>	<p>How can I help / information for Helping The children should continue to come to school in their PE kit on Wednesdays. For this PE unit the sessions will be inside. If your child wears trainers with laces it would be much appreciated if you could try to teach them to tie their laces independently.</p>

Music	PSHE / MindMate	R.E.
<p>Focus is: Adding rhythm and pitch</p> <p>Skills / knowledge to be developed: We will be furthering our understanding of rhythm and learning more about pitch (high and low notes) using the Charanga music programme and working with a range of instruments.</p>	<p>Focus is: Feelings and Strong Emotions</p> <p>Skills / knowledge to be developed: The children will learn about different types of feelings and how to manage different feelings. We will also be marking Children's Mental Health week in February.</p> <p>Applied through: Discussion / Circle time / debate</p>	<p>Focus is: Festivals and What does it mean to belong?</p> <p>Skills / knowledge to be developed: The children will continue to look at the festivals of different faiths, particularly Chinese New Year. They will also be learning about belonging – to different faiths and churches.</p> <p>Applied through: Discussion / Circle time / debate</p>
<p>How can I help / information for Helping Listen to a variety of music with your child. Encourage them to sing along to their favourite songs and to clap out the beat. Talk about whether notes are high or low.</p>	<p>How can I help / information for Helping Discuss feelings with your child. Help them to understand their own feelings and those of others.</p>	<p>How can I help / information for Helping Talk about any festivals your family celebrates as well as any events which may be happening in your local area. Point out places of worship of different religions when you are out and about and talk about the particular faith that they belong to.</p>

Homework	Any Other Information / Dates for the Diary
<p><u>Ongoing Homework</u></p> <ul style="list-style-type: none"> • Reading: We would encourage all children in KS1 to read for 15 minutes at least twice per week. (Please log what they have read in their reading record) • KIRF target: See Maths <p><u>Maths and English Homework</u></p> <p>Homework is sent on a Thursday evening and will be both Maths and English. Please return it on a Tuesday.</p> <p>Please encourage your children to discuss their homework at home in order that they develop the skills of explanation and reasoning. If you have any concerns or your child has found a piece of work particularly challenging, please make a note for us in their homework book so that can further support them in class.</p> <p>Children will be set an optional Learning Log activity once during every half term. This will be related to the Enriched Curriculum. On weeks when this is set, it will replace Maths or English homework. Please note that this should not be an onerous task and that your child can choose to present their work in any way they wish.</p>	<p>Friday 20th January – Chinese New Year – wear red to school Wednesday 25th January – Teddy Bear Hospital – bring your teddy to school Friday 27th January – Road Safety session W/c 6th February – Children’s Mental Health Week Tuesday 8th February- Safer Internet Day</p>  <p>We encourage you to follow our school Twitter account @BramhamShadwell. We regularly post updates and photographs of what your children are learning in class alongside other important school information, reminders and updates.</p>  <p>If your child is being collected at the end of the day by someone different to usual (for example if they are going home with a friend), would you please ensure that you tell a member of staff at the beginning of the day.</p> <p>Please ensure that your child has a <u>named</u> water bottle in school every day. They must remember to take it home every evening to wash the bottle and bring it in to school already full. This will ensure that the bottles are kept clean and germ-free for the children’s use each day.</p>

Thank you, as always, for your continuous help and support. If you have any queries please do not hesitate to contact us or make an appointment at the office to arrange a meeting after school.

Mrs Barrett and Miss Greenwood 😊
