

TWHF SEND Policy

Key Document Details

School Name: TWHF and GLT Schools

Version no: 11

Author: Timothy James

Owner: Timothy James

Approved by: Trustees

Ratified date: September 2026

Interim review date

Next review date: September 2027

History of most recent Policy changes

Version	Date	Page document	Change	Origin of change e.g. Change in legislation, Policy review
9	July 24	1	Owner / Author	Review
		10	Appeals	Added appeals process
10	July 25	1	Review Dates	
10	July 25	3	SEND & AP	Reference to SEND and Alternative Provision Improvement Plan (2023)
10	July 25	3	New paragraph	Reference to the UN Convention on the Rights of Persons with Disabilities
10	July 25	4	Added link	Reference to Mental Health and Wellbeing Statutory Duties
10	July 25	7	Paragraph change	6.6 – change to last paragraph
10	July 25	9	Sentence added	Ordinarily available provision
10	July 25	10	Section 10 (Links with external agencies)	Reference to Independent Review of Children's Social Care (2022)
10	July 25	11	Safeguarding	New section added - Safeguarding and Vulnerability of Pupils with SEND
11	August 2026	Multiple	Compliance review and statutory reference update	Policy review against the 2026 model policy and current statutory framework
11	August 2026	Legislation and guidance	Added SEND Regulations 2024, clarified status of 2026 SEND reform proposals and refreshed safeguarding, admissions and medical guidance references	Legislative and statutory guidance review
11	August 2026	Roles and responsibilities	Clarified Trust Board accountability, local governance assurance, SENCO qualification, capacity and support requirements	SEND governance guidance and SEND Regulations
11	August 2026	EHC plans and admissions	Added duties to admit where named, co-operate with the local authority and secure specified provision	Children and Families Act 2014 and SEND Code of Practice
11	August 2026	Records, complaints and monitoring	Added data protection wording, corrected SEND Tribunal appeal route	UK GDPR, Data Protection Act 2018 and SEND statutory framework

			and strengthened equality monitoring

1. Aims and objectives

Our special educational needs and disabilities (SEND) policy aims to:

- Make sure our schools fully implement national legislation and guidance regarding pupils with SEND
- Set out how our schools will:
 - Support and make provision for pupils with special educational needs and disabilities
 - Provide pupils with SEND access to all aspects of school life
 - Provide opportunities for all pupils with SEND to engage in the activities of the school alongside pupils who do not have SEND (mainstream only)
 - Help pupils with SEND fulfil their aspirations and achieve their best
 - Help pupils with SEND become confident individuals living fulfilling lives
 - Help pupils with SEND make a successful transition into adulthood (Secondary schools)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about the pupil's support and provision.
- Make sure the SEND policy is understood and implemented consistently by all staff

2. Vision and values

We are committed to making sure all our pupils have the chance to thrive and supporting them to meet their full potential.

We are focused on creating an inclusive environment, where provision is tailored to the needs and abilities of pupils, no matter how varied.

3. Legislation and guidance

[Special Educational Needs and Disability \(SEND\) Code of Practice](#)

This policy is based on the statutory Special Educational Needs and Disability Code of Practice: 0 to 25 years and the legislation and guidance listed below. It reflects the law and statutory guidance in force at the date of approval. The Government's 2026 SEND reform consultation sets out proposals only and does not replace current statutory duties unless and until legislation or revised statutory guidance comes into force. This is a Trust-wide policy applying to all TWHF academies. Each academy must publish and keep under review its own SEN information report, accessibility plan and relevant local contact information, including the local authority Local Offer.

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report

- The Special Educational Needs and Disability (Amendment) Regulations 2024, which replaced the National Award for SEN Coordination (NASENCO) with the National Professional Qualification (NPQ) for SENCOs as the mandatory qualification for SENCOs required to undertake statutory training, in accordance with the relevant exemptions and transitional arrangements
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [SEND and Alternative Provision Improvement Plan \(DfE, 2023\)](#), which outlines planned reforms to improve the SEND system in England.
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors'/trustees' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

This policy also complies with our funding agreement and articles of association.

4. Inclusion and equal opportunities

At our schools we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

Our approach is informed by the principles of the UN Convention on the Rights of Persons with Disabilities, promoting full participation in education and community life.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

The accessibility plan for each academy is published on the Statutory Information page of its website.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

- Communication and Interaction: this can include speech, language and communication needs and autism spectrum difficulties
- Cognition and Learning: this can include moderate, severe and profound and multiple learning difficulties and specific learning difficulties such as dyslexia, dyscalculia and dyspraxia
- Social, Emotional and Mental Health Difficulties: this can include behaviours that reflect underlying mental health difficulties such as anxiety, depression or eating disorders. It also includes other disorders such as attention deficit hyperactivity disorder or attachment disorder. The school's approach to Social, Emotional and Mental Health Difficulties is aligned with its responsibilities under the [DfE's Mental Health and Wellbeing guidance \(2021\)](#), including ensuring access to appropriate support, early intervention, and mental health education.
- Sensory and/or Physical Needs: this can include visual, hearing or multi-sensory impairment and physical disabilities.

6. Roles and responsibilities

6.1 The SENCO

The SENCO at our school will:

The SENCO will be a qualified teacher, or where permitted by legislation, the headteacher. Where the mandatory qualification requirement applies, the SENCO will complete the National Professional Qualification (NPQ) for SENCOs within the prescribed statutory timescale. The academy will ensure that the SENCO has sufficient time, administrative support, training and resources to fulfil the responsibilities of the role effectively.

- Inform any parents that their child may have SEN and then liaise with them about the pupil's needs and any provision made
- Work with the headteacher and SEN governor to determine the strategic development of the SEND policy and provision in the school
- Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching
- Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided
- Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned

- When a pupil moves to a different school or institution: Make sure that all relevant information about a pupil's SEN and the provision for them are sent to the appropriate authority, school or institution in a timely manner
- Work with the headteacher and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Make sure the school keeps its records of all pupils with SEND up to date and accurate
- With the headteacher, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the headteacher, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- Prepare and review information for inclusion in the school's SEN information report and any updates to this policy
- With the headteacher and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.2 The board of trustees

The SEND link Trustee is **Mrs Moira Laffey**

The Trust Board retains overall accountability for compliance with SEND and disability duties across TWHF. It may delegate oversight activities to a committee, local governing body or named link governor, but it remains accountable for obtaining assurance that the duties below are carried out in every academy:

- Co-operate with the LA in reviewing the provision that is available locally and developing the local offer
- Do all it can to make sure that every pupil with SEND gets the support they need
- Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND
- Inform parents when the school is making special educational provision for their child
- Make sure that the school has arrangements in place to support any pupils with medical conditions
- Provide access to a broad and balanced curriculum
- Have a clear approach to identifying and responding to SEND
- Provide an annual report for parents on their child's progress
- Record accurately and keep up to date the provision made for pupils with SEND
- Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report
- Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans
- Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out
- Determine their approach to using their resources to support the progress of pupils with SEND
- Make sure that all pupils from year 8 until year 13 are provided with independent careers advice (Secondary Schools)

6.3 The SEND link governor

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings
- Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this
- Work with the headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school

6.4 The headteacher

The headteacher will:

- Work with the SENCO and SEND link governor to determine the strategic development of the SEND policy and provision within the school
- Work with the SENCO and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress
- Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils
- Make sure that the SENCO has enough time to carry out their duties
- Have an overview of the needs of the current cohort of pupils on the SEND register
- Advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review
- With the SENCO, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the SENCO, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- With the SENCO and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison, with national data, and use these to reflect on and reinforce the quality of teaching

6.5 Class / Subject teachers

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach
- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching
- Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision
- Ensuring they follow this SEND policy and the SEN information report
- Communicating with parents regularly to:
 - Set clear outcomes and review progress towards them
 - Discuss the activities and support that will help achieve the set outcomes

- Identify the responsibilities of the parent, the pupil and the school
- Listen to the parents' concerns and agree their aspirations for the pupil

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to termly meetings to review the provision that is in place for their child
- Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- Given reports on the pupil's progress

Parents and carers will be active partners in co-producing their child's support plan. Their views and expertise will be central to designing and reviewing support.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupils' views will be considered in making decisions that affect them, whenever possible.

7. SEN information report

The school publishes an SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

Mainstream schools only.

We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- Is significantly slower than that of their peers starting from the same baseline

- Fails to match or better their previous rate of progress
- Fails to close the attainment gap between them and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs. When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

Then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special educational provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. Assess

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be considered. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, Arbor, and will be made accessible to staff in a Pupil / Student Profile

Parents will be fully aware of the planned support and interventions and may be asked to reinforce or contribute to progress at home.

3. Do

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. The Trust will work in line with the relevant local authorities' expectations for "ordinarily available provision" to ensure that all pupils receive appropriate support before seeking additional funding or an EHCP. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

Where an EHC plan names an academy, the academy will admit the pupil. The local authority has the statutory duty to secure the special educational provision specified in the plan. The academy will co-operate with the local authority and take all reasonable steps to deliver the provision for which it is responsible.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil voice
- Monitoring by the SENCO
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents

9. Expertise and training of staff

Training will regularly be provided to the teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

10 SEND records and information sharing

Information about SEND, disability, health and safeguarding will be recorded accurately, kept securely and shared only where there is a lawful basis and a clear educational, safeguarding or statutory need. Personal data will be processed in accordance with UK GDPR, the Data Protection Act 2018, TWHF privacy notices and records-management procedures. Relevant information will be transferred promptly and securely when a pupil changes setting.

11 Links with external professional agencies

The Trust recognises that it won't be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:

- Speech and language therapists
- Specialist teachers or support services
- Educational psychologists
- Occupational therapists or physiotherapists
- General practitioners or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers

- Social services

In line with the Independent Review of Children's Social Care (2022), the Trust will continue to improve multi-agency collaboration between SEND, social care, and health services to ensure children's needs are met holistically.

12 Safeguarding and the vulnerability of pupils with SEND

Children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges. Research and national guidance highlight that they are statistically more likely to be at risk of abuse or neglect. These risks may arise due to communication barriers, increased social isolation, or reliance on adults for personal care. Our Trust recognises its duty to ensure that safeguarding arrangements take into account the increased vulnerability of these pupils. All staff receive regular safeguarding training which includes specific guidance on identifying and responding to signs of abuse in children with SEND. The Designated Safeguarding Lead (DSL) and SENCO work collaboratively to ensure appropriate pastoral and protective measures are in place, including risk assessments and individual support planning where needed. Our approach is informed by the Keeping Children Safe in Education (KCSIE) statutory guidance and the Working Together to Safeguard Children framework.

13 Appeals and Complaints about SEND provision

Parents and young people may have a right of appeal to the First-tier Tribunal (Special Educational Needs and Disability) against certain local authority decisions about EHC needs assessments and EHC plans. Before most appeals, the appellant must consider mediation and obtain the required mediation certificate, unless an exception applies. The decision letter from the local authority will explain the relevant rights, time limits and sources of independent advice.

Appealable decisions can include a refusal to assess or reassess, a refusal to issue an EHC plan, the description of needs, provision or placement in a final or amended plan, a refusal to amend following review, and a decision to cease to maintain a plan. Complaints about disability discrimination may also be made to the First-tier Tribunal where the statutory criteria are met. Families should seek independent advice from their local SEND information, advice and support service where needed.

Parents and carers with any issues regarding the SEND policy or the provision made for their child are urged to raise their concerns at the earliest opportunity. In the first instance, Parents and carers should speak to their academy SENCO. If they feel their child's needs are still not being met they should make an appointment to see the Principal or SEND governor.

Formal complaints about SEND provision in our school should be made to the headteacher in the first instance. They will be handled in line with the school's complaints policy.

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

14 Monitoring and evaluation arrangements

14.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

The Trust will also review identification, provision, attendance, suspension, exclusion and outcome information to identify patterns or disproportionate impact, including by SEND status and other relevant protected characteristics. Findings will inform reasonable adjustments, staff development and improvement planning.

14.2 Monitoring the policy

This policy will be reviewed by Timothy James, Director of Inclusion, every year. It will also be updated when legislation, statutory guidance, Trust structures or procedures change during the review period. This Trust-wide policy will be approved by the TWHF Trust Board or a committee acting under delegated authority. Local governing bodies will monitor implementation and provide assurance in accordance with the Trust's scheme of delegation.

15 Links with other policies and documents

This policy links to the following

- SEN information report
- The local offer
- Accessibility plan
- Behaviour policy
- Equality information and objectives
- Supporting pupils with medical conditions policy
- Attendance policy
- Safeguarding / child protection policy
- Complaints policy

This policy has due regard to legislation, including, but not limited to, the following:

- Children and Families Act 2014
- Health and Social Care Act 2012
- Equality Act 2010
- Equality Act 2010 (Disability) Regulations 2010
- Education Act 1996
- Education Act 2002
- Mental Capacity Act 2005
- Children Act 1989

- Special Educational Needs and Disability (Amendment) Regulations 2015

Special Educational Needs and Disability (Amendment) Regulations 2024

- Special Educational Needs (Personal Budgets) Regulations 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015
- Local Government Act 1974
- Disabled Persons (Services, Consultation and Representation) Act 1986

This policy also has due regard to statutory and non-statutory guidance, including, but not limited to, the following:

- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'
- Department for Education, Supporting pupils at school with medical conditions, current statutory guidance.
- Department for Education, Keeping Children Safe in Education 2026, in force from 1 September 2026, and any subsequent replacement guidance.
- HM Government, Working Together to Safeguard Children, current statutory guidance.
- Department for Education, School Admissions Code, current statutory code.
