Grove Learning Trust Vision & Values

As one organisation, our vision for Grove Learning Trust is unapologetically bold. We are all about **creating remarkable futures**. For our children, our people, our places of work, we want the very best. We know that strong connections will enable us to achieve our vision, in a world where purposeful collaboration, based on mutual respect and trust, helps us to achieve more together.

Trust >> Connect >> Collaborate

Our policies underpin our vision and set out clearly our expectations of each other.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school.
- We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [Keeping Children Safe in Education 2025](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

- Evaluating and monitoring expectations and processes

- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

3.5 The School Attendance Officer

The school attendance officer at each school is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher / head of school
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher when the criteria for considering a fixed-penalty notice has been met

3.6 Class Teachers

- All class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office with Arbor.
- Sharing any concerns or patterns they have noticed in attendance with the senior leader with responsibility for attendance.
- Where appropriate, class teachers will discuss attendance concerns with parents.

3.7 School Business Officers/Admin Staff

School business officers and admin teams will:

- Take calls from parents and carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents and carers to senior leaders as appropriate, in order to provide them with more detailed support on attendance
- Following up first day absence

3.8 Parents/Carers

Parents/carers are expected to:

- Make sure their child attends every school day, on time (8.45am), to report their child's absence before 8.45 am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than one emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts / agreements that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the school at the earliest possible point when challenges are faced

3.9 Pupils

Pupils are expected to:

- Attend school every school day, on time

4. Recording Attendance

4.1 Attendance Register

We will keep an electronic attendance register on Arbor and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age, whether the absence is authorised or not

- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.45am and ends at 3.15pm.

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at and will be kept open until 9.00am. The register for the second session will be taken at 1.00pm and will be kept open until 1.05pm.

4.2 Unplanned Absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am, or as soon as practically possible, by following the school's procedure in 3.8.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where sickness absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this..

4.3 Planned Absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following Up Unexplained or Unreported Absence

In the first instance school will text the first parent/carer contact listed on arbor to ascertain the reason for absence. This is followed up by a phone call if no response is provided to the text.

If we still do not get a response from the first contact we will proceed to contact other listed family contacts to follow up the absence,

Door step visits will be used as a last resort to check on the welfare of the child.

4.6 Reporting to Parent/carers

The school will regularly inform parents/carers about their child's attendance and absence levels. As a minimum, this will take place at least once each academic year.

Attendance levels are available daily to parents through the arbor parent app. Where attendance falls below 95% pupils are closely monitored and phone calls/dojo messages/direct conversations are held to offer support to improve attendance levels. Where attendance rates dip below 90% parents are contacted with a letter and support offered from the attendance officer/ family support worker and EWO if required.

5. Authorised and Unauthorised Absence

5.1 Approval for Term-time Absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- A temporary, time-limited [part-time timetable](#)
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as unexpected, unavoidable, and outside of your control, such as hospitalisation, a serious illness or a bereavement of a close relative. A leave of absence must still be requested in advance by a parent/carer who the pupil normally lives with.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible before the absence, and in accordance with any leave of absence request form. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent/carer(s) belong (s). If necessary, the school will seek advice from the parent/carer's religious body to confirm whether the day is set apart
- Parent/carer(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty Notices

The headteacher (or someone authorised by them), local authority or the police can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent/carer who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents/carers who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent/carer must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent/carer in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents/carers allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents/carers that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

Notices to improve

If the national threshold has been met and support is appropriate, but parents/carers do not engage with offers of support, the school may offer a notice to improve to give parents/carers a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies For Promoting Attendance

At Shaw Ridge we operate the following incentives for good attendance:

- Weekly Class assembly celebrating class attendance rates
- Individual prizes for impeccable attendance and/or significant improvements
- Shout outs in newsletter
- Communications with whole school or individual parents to celebrate positive attendance.
- Daily monitoring at individual pupil level
- Sharing attendance targets with stakeholders.

7. Supporting Pupils Who are Absent or Returning to School

7.1 Pupils absent due to complex barriers to attendance

- Headteacher, parents/carers, class teacher and/or SENCO will meet to identify the barriers to good school attendance
- If appropriate, the child's views will also be gathered
- An attendance contract may be put in place to support progress towards improved attendance
- School-based interventions may be offered
- External Interventions may be offered

7.2 Pupils absent due to mental or physical ill health or SEND

- Headteacher, parents/carers, class teacher and SENCO will meet to identify the barriers to good school attendance.
- If appropriate, the child's views will also be gathered.
- Identify a key adult to work with the child and the family to explore the positive and negative influences on absenteeism and build resilience.
- School-based interventions may be offered
- External Interventions may be offered
- A home-school book might be established to maintain clear communication between the parents and the class staff
- Parents/carers might be signposted to other support agencies relevant to the individual circumstances

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

The headteacher will meet with the parents/carers (and child if appropriate) in advance of the first day to discuss expectations, reasonable adjustments and individual health care / support plans that may need to be in place to ensure a smooth return to school.

7.4 Part-time timetable

In very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a school to provide a pupil of compulsory school age with less than full-time education through a temporary part-time timetable to meet their individual needs. A part-time timetable should not be used to manage a pupil's behaviour.

A part-time timetable should:

- Have the agreement of both the school and the parent/carer the pupil normally lives with
- Have a clear ambition and be part of the pupil's wider support, health care or reintegration plan
- Have regular review dates which include the pupil and their parents to ensure it is only in place for the shortest time necessary
- Have a proposed end date that takes into account the circumstances of the pupil, after which the pupil is expected to attend full-time either at school or at an alternative provision
- If the arrangement means that the pupil arrives after the register closes in the morning and/ or be absent for the afternoon registration period, the code used should be C2 (leave of absence authorised by the school)

Where the pupil has a social worker, the school is expected to keep them informed and involved in the process.

If the pupil has an education health and care plan, the school should discuss the part-time timetable with the local authority so that any support package that is in place can be reviewed as swiftly as possible.

If a pupil with an EHCP needs specific alternative provision, this should be agreed in the annual review.

8. Attendance Monitoring

8.1 Monitoring and Reporting Attendance

The trust will monitor attendance and absence data half-termly, across the schools and trust as a whole including groups of children in each school and at trust aggregated level.

Data is collected through the DfE's school attendance reporting procedures.

The trust will benchmark its attendance data at whole trust and school level against local, regional and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing Attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using Data to Improve Attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance data via Arbor for class teachers, to facilitate discussions with pupils and families.
- Provide attendance data to the academy committee and trust / school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the trust and school's strategy for improving attendance.

The trust and school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parent/carers of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance

- Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring Arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Central Education Team. At every review, the policy will be approved by the full board of trustees.
